Hey Chrissy - we sell bulk orders of passports at a discounted rate. Horry County used to take advantage of these rates and sell them to their residents at a discounted rate. A few years ago, Horry County stopped purchasing the passports in bulk. We are unaware of anybody else in your county who purchase the passports in bulk

As an horry county resident used to buy the park passport at a discount at the library. Can you tell me why you no longer offer the discount and is there anywhere else I can buy a discounted pass?
