OFFICE OF THE DIRECTOR

Dear Dr. Kerr:

The amount of the January 2007 cost-of-living adjustment (COLA) will not be announced by the Bureau of Labor Statistics until October 2006. The COLA is based on the increase in the consumer price index base period which ends September 30, and is established by law.

As usual, we face restrictive implementation deadlines to reprogram the COLA changes. Therefore, we would appreciate your immediate attention to this matter.

We need to know whether you will: (1) pass along the full amount of the January 2007 COLA increase to all cases (mandatory and optional); or (2) elect to maintain at least the same level of total expenditures for the period January 2007 - December 2007 as for the immediately preceding 12-month period.

Please provide us with written confirmation of your decision by October 23, 2006. Also, it would be helpful if you would FAX your response before mailing it. Questions regarding this should be directed to Barbara Schindler of the SSI Program Team at (404) 562-5836 or via email to [barbara.schindler@ssa.gov](mailto:barbara.schindler@ssa.gov). The FAX number is (404) 562-1325.

Sincerely yours,

Dear Dr. Kerr:

Thank you for the fast response on how you plan to pass along the January 2007 cost of living adjustment (COLA) to your state supplement recipients. The Bureau of Labor Statistics has announced that the COLA will be 3.3 percent. The Supplemental Security Income (SSI) federal benefit rates will be \$623 for an individual and \$934 for an eligible couple. The essential person increment is \$312.

The SSI payment cap for those in Medicaid facilities (federal living arrangement D) remains at \$30 (individual)/\$60 (couple). The value of the one-third reduction (for living in another's household will be \$207.66/\$311.33. The presumed maximum value of in-kind support and maintenance computes to \$227.66/\$331.33. The resource limits remain at \$2000/\$3000.

If you need additional information about the January 2007 COLA, please contact Barbara Schindler, SSI Program Team, 404-562-5836.

Sincerely,
