**Subject:** Thank you!

I wanted to thank the both of you for such a wonderful experience yesterday. The entire day was so well put together and we can't thank you enough. I know the game did not turn out like we had hoped but listening to Markus relive the entire day as we were taking him back home was priceless. I say it every time I am with anyone who will listen but we are so lucky to have such great leadership in this great state. It continues to be the difference maker between South Carolina and ANY other state we compete with. I can't thank you enough for the hospitality and taking the time to talk with our group one on one. If there is ever anything I or the Power Team can do for either of you, or your office, please don't hesitate to ask.

I look forward to seeing both of you again soon and in the meantime GO TIGERS!!

Best ,  
Warren
