Hi Tony,

For more than 25 years, DLT Solutions has been a leading industry partner to government agencies.

There are three key reasons agencies continually turn to DLT to help them make smart technology choices and simplify their technology procurements:

- DLT expertise in government technology requirements and technical counsel on the best options for Cybersecurity, Cloud, Application Lifecycle, Digital Design, IT Consolidation, and IT Management solutions.
- DLT established strategic partnerships with **more than 30 leading and emerging IT companies** including Oracle, Amazon Web Services, Dell Software, Red Hat, Autodesk, Google, Informatica, SolarWinds, Symantec, and Veritas.
- Ease of procurement when working with DLT contracting specialists and use of DLT's **more than 40 IDIQ and BPA contracts** including, GSA, SEWP V, U.S. Communities, and Texas DIR.
