The short answer is that I don't know. HKL came into the office and it is all nuclear all the time.

Mike, this is a friend from Furman, and you can see his request. May I come talk to you tomorrow or Thursday about where to direct him?

Danny,
Great seeing you couple weeks ago and glad you are doing well. As we discussed, our Company is interested in acquiring Camp Hall in Summerville. We are very bullish on SC investments and looking for a way to have a win-win for us and our partners, public or private.
I actually toured the site last week with representatives of Santee Cooper, as they move towards a RFQ / RFP process for a portion of the site. Would welcome and appreciate the opportunity to come to Columbia and make an introduction of our group as appropriate.
Have a great week and let me know your thoughts.
Thanks,
Mike
