Dear Tony,

The end of Alzheimer's starts with you — and it starts with people like Marge Houston. Marge's team, Care Talkers, is made up of her caregiver support group.

The Alzheimer's Association Walk to End Alzheimer's® gives Marge and her team an opportunity to raise awareness of Alzheimer's disease and the impact it has on caregivers. It's also a way for them to raise funds that will advance the care, support and research efforts of the Alzheimer's Association®, which keep programs like their support group running. And, it's a chance to share laughs and have some fun.

Be a Team Captain like Marge. [Start a team today!](#)

Sincerely,

Wendy Folk Vizek
