---

Hi Chaney,  
Thanks for getting back to me.  
Let me know if the Governor's schedule should change at all.  
We could possibly pretape around 6:15/6:30 if that would fit her schedule better.

Thank you!

Jillian,

Thanks for reaching out, unfortunately the governor does not have any availability to join y'all today.

Hi Chaney,  
Jill with MSNBC's Last Word here. Hope you're well!  
Can Governor Haley join Lawrence tomorrow night while she's in New York City to discuss her planned meeting with President-Elect Trump?  
Let me know her availability.

Thank you,
