S.C. Office of the Governor
Attn: Holly Pisarik (**email only**)

Mrs. Pisarik:

Under the Freedom of Information Act, emails to and from the account for the State Emergency Response Director Kevin Shwedo since he started in his position last month to the date this FOIA is answered by your office. The subject for these emails should cover any related to emergency response and the flood recovery for the state and the procedure and protocol for Shwedo in performing his job.

As a member of the media, WIS asks that any fees be waived. However, if there is a fee that cannot be waived, I ask for notice of the total cost **prior** to answering the FOIA. We also welcome the materials as they become available.

If this request is denied in whole or part, I ask that you justify all deletions by reference to specific exemption of the Act and specify what records were denied.

Also, please provide electronic documentation of the records if applicable. WIS does have a FTP site that can be used to save from using a disk or printing documents.

If you have any questions concerning the scope of this request, please do not hesitate to contact me at the email and phone number below.

Sincerely,

LaDonna Beeker
