Subject: Shaw Cuts

Chaney,

I am doing a story on the cuts at Shaw Air Force Base and wanted to see if Governor Haley is either available for an interview today or can provide a statement regarding them. I understand Governor Haley was pretty verbal about the need to reverse these cuts. I wanted to ask about what would need to happen in order for the cuts to be reversed and what 600+ cuts at Shaw would mean for the unit.

Thanks,
Colby Gallagher
