ONC Seeking Applications for Health IT Advisory Committees

The Office of the National Coordinator for Health Information Technology (ONC) is seeking applications for the Health IT Policy Committee (HITPC) and the Health IT Standards Committee (HITSC). Applications can be submitted using ONC's application database **through Friday, September 11.**

The Health IT Policy Committee is seeking applications for a Consumer/Patient Representative. The HITPC makes recommendations on a policy framework for the development and adoption of a nationwide health information infrastructure, including standards for the exchange of patient medical information.

The Health IT Standards Committee is seeking applications for a variety of positions including Long-term Care Representative and Ancillary Healthcare Worker Representative. The HITSC makes recommendations on standards, implementation specifications, and certification criteria for the electronic exchange and use of health information.
