Leigh,
Attached is the a copy of the full report. I would suggest Mr. Kirkland start with page 9 which is a summary of the recommendations followed by a review of the appendix so he can see what actions have already been taken by SC DSS. Hope this works.
Thanks,
Coretta

Hi Coretta, do you have a brief overview of the Adult Protective Services project that AARP and Nelson Mullins have been working on that I may share with Bill Kirkland of USC? As I mentioned, the Lt. Governor has discussed how data analytics and USC could assist - and he wanted to review the information beforehand to tailor his remarks/presentation.

Thank you,
Leigh
