I called a minute ago, but it went to voicemail. She just signed the letter (delegating to you). The only thing she asked for was a proviso to essentially memorialize that any costs arising from this project should be funded through a portion of the additional funds for veterans services that now appear in the budget. I'll put something together, but it should be pretty innocuous.

Let me know how you want to receive the letter – I can leave it at the front desk, if that works. Thanks.

Hi John,

I know we owe you an answer on the domiciliary project – I'm supposed to see her tomorrow about it, and then I'll double-back with you.

One other thing I wanted to run by you in the meantime. The State Interagency Coordinating Council (for IDEA Part C) has been somewhat dormant lately, and I'm in the process of resuscitating it. Louise Johnson was the most recent appointee on DMH's behalf. Are you OK with her continuing in that role? – the folks I've spoken to so far about this Council speak very highly of her. Thanks.
