Congressman Joe Wilson  
The Midlands' Office  
1700 Sunset Blvd (US 378), Suite 1  
West Columbia, SC 29169

Dear Congressman Wilson:

My father Frank J. Byrne is a member of the generation that is fast leaving us, the generation that fought for liberty in World War II. He has far outlived his savings and is basically broke. He is currently cared for in an independent living apartment by my mother. I am a parish pastor in Aiken. My brother lives in Portland, Oregon. My parents live in Columbia, SC where I moved them to facilitate their care before the church moved me to Aiken, SC. My brother and I supplement their combined income from social security to afford their rent, food and medicine. They are both ninety years old. Dad has dementia, incontinence and a number of other worsening age issues that can no longer be tended by my mother. He needs nursing care. We do not have the resources to put Dad into nursing care and maintain mother in independent living.

I have applied to the South Carolina Department of Health and Human Services for Medicaid support for my father. Would you or a member of your staff please do two things to support my father? Please do whatever you are able to facilitate a speedy review of my father's application and approval for Medicaid assistance. Please also take a moment to review my father's documents related to his service in World War II and have the VA determine if their might be a benefit; i.e. nursing care available to him in one of their facilities. He deserves to die with the dignity his service has afforded to all in this country. Your help will be appreciated.

Very truly yours,

Rev. Robert T. Byrne

FRANK J BYRNE

---

**T**o you who answered the call of your country and served in its Armed Forces to bring about the total defeat of the enemy, I extend the heartfelt thanks of a grateful Nation. As one of the Nation's finest, you undertook the most severe task one can be called upon to perform. Because you demonstrated the fortitude, resourcefulness and calm judgment necessary to carry out that task, we now look to you for leadership and example in further exalting our country in peace.

Dear Reverend Byrne:

Congressman Joe Wilson asked our agency to assist you with your questions concerning Medicaid eligibility and Veterans benefits for your father, Mr. Frank J. Byrne.

We received the application you recently mailed us on your father's behalf. An eligibility worker will determine if your father meets the financial and categorical requirements to qualify for coverage. A member of our staff has explained this process to you, but if you have further questions please contact Mr. Jim Hampton, Richland County Medicaid Supervisor, at 803-714-7561.

Since your father is a World War II veteran you may wish to contact the US Department of Veterans Affairs (VA) to determine if any of their programs may be able to assist him. We provided you information on some of their programs in a separate mailing. The VA Regional Office is located at 1801 Assembly Street, Columbia, SC 29201 and their telephone number is 1-800-827-1000.

**Veterans Group Life Insurance (VGLI)** is renewable term life insurance for veterans who want to convert their SGLI up to an amount not to exceed the coverage you had when you separated from service. You must apply within one year from separation from service.

**Service-Disabled Veterans Insurance**, also called "RH" Insurance, is for service-connected veterans. Coverage is \$10,000. You may be eligible for a \$20,000 supplemental policy if you are totally disabled. You must apply for RH within two years of being rated service connected by VA.

## Dependents & Survivors

**Dependency and Indemnity Compensation (DIC)** is payable to certain survivors of:

- Servicemembers who died on active duty
- Veterans who died from service-related disabilities
- Certain veterans who were being paid 100% VA disability compensation at time of death.

## VA HEALTH CARE ELIGIBILITY & ENROLLMENT

---

### Determining Your Eligibility

Eligibility for health care through VA is a two-step process:

1. VA must determine your eligibility status as a veteran by reviewing your
  - Character of Discharge from active military service, and your
  - Length of active military service
2. VA must determine whether you qualify for one of the eight enrollment priority groups.

**NOTE:** Effective January 17, 2003, VA suspended NEW enrollment of veterans assigned to Priority Group 8 (VA's lowest priority group consisting of higher income veterans). If you are a veteran enrolling for the first time on or after January 17, 2003, and your income exceeds the current year income threshold, you are not eligible for enrollment at this time. Veterans enrolled in Priority Group 8 on or before January 16, 2003, will remain enrolled and continue to be eligible for the full-range of VA health care benefits.

### Step 1. Determine your qualifying military service

The character of discharge you received from the military can be a factor. It is not an issue if you received:

- An honorable discharge
- A general discharge
- A discharge under honorable conditions

The length of your service may also matter. It depends on when you served. There's no length of service requirement for:

- Former enlisted persons who started active duty before September 8, 1980, or
- Former officers who first entered active duty before October 17, 1981
- All other veterans must have 24 months of continuous active duty military service or meet one of the exceptions described below.

If you have a different character of discharge, you may still be eligible for care. Contact

your Enrollment Coordinator at your local VA health care facility to see if you qualify.

### **Minimum Service Requirement**

You do not have to meet the 24 continuous months of active duty service requirement if you:

- Were a reservist who was called to Active Duty and who completed the term for which you were called, and who was granted an other than dishonorable discharge, or
- Were a National Guard member who was called to Active Duty by federal executive order, and who completed the term for which you were called, and who was granted an other than dishonorable discharge, or
- Only request a benefit for or in connection with:
  - a service-connected condition or disability; or
  - treatment and/or counseling of sexual trauma that occurred while on active military service; or
  - treatment of conditions related to ionizing radiation; or
  - head or neck cancer related to nose or throat radium treatment while in the military.
- Were discharged or released from active duty for a hardship , or
- Were discharged with an "early out"; or
- Were discharged or released from active duty for a disability that began in the service or got worse because of the service; or
- Have been determined by VA to have compensable service-connected conditions; or
- Were discharged for a reason other than disability, but you had a medical condition at the time that
  - Was disabling, and
  - In the opinion of a doctor, would have justified a discharge for disability (in this last case, the disability must be documented in service records)

### **Step 2. Enrollment in VA Health Care System**

Generally, you must be enrolled in VA health care system to receive benefits offered in the Medical Benefits Package.

Certain veterans do not need to be enrolled to receive medical care benefits.

You do not have to be enrolled if you:

- Have been determined by VA to be 50% or more disabled from service-connected (SC) conditions
- Are seeking care for a VA rated service-connected disability only
- It is less than one year since you were discharged for a disability that the military determined was incurred or aggravated by your service, but that VA has not yet rated

*However, enrolling will assist VA in planning and budgeting resources.*

Congressman Joe Wilson  
The Midlands' Office  
1700 Sunset Blvd (US 378), Suite 1  
West Columbia, SC 29169

Dear Congressman Wilson:

My father Frank J. Byrne is a member of the generation that is fast leaving us, the generation that fought for liberty in World War II. He has far outlived his savings and is basically broke. He is currently cared for in an independent living apartment by my mother. I am a parish pastor in Aiken. My brother lives in Portland, Oregon. My parents live in Columbia, SC where I moved them to facilitate their care before the church moved me to Aiken, SC. My brother and I supplement their combined income from social security to afford their rent, food and medicine. They are both ninety years old. Dad has dementia, incontinence and a number of other worsening age issues that can no longer be tended by my mother. He needs nursing care. We do not have the resources to put Dad into nursing care and maintain mother in independent living.

I have applied to the South Carolina Department of Health and Human Services for Medicaid support for my father. Would you or a member of your staff please do two things to support my father? Please do whatever you are able to facilitate a speedy review of my father's application and approval for Medicaid assistance. Please also take a moment to review my father's documents related to his service in World War II and have the VA determine if their might be a benefit; i.e. nursing care available to him in one of their facilities. He deserves to die with the dignity his service has afforded to all in this country. Your help will be appreciated.

Very truly yours,

Rev. Robert T. Byrne
