## South Carolina State Parks

at 13:31:26 on 5/12/2010 UTC ·

Recent cancellations = a "villa" bility for you! Meaning we have villas open for weeklong stays! If you are looking for a great place to spend your summer vacation -- try a week at Devils Fork State Park on Lake Jocassee in one of our villas. Weeks are available in June and August. It's an awesome place for a family vacation. Check it out:

### About This Park - Devils Fork State Park - South Carolina State Parks

Devils Fork State Park offers contemporary mountain villas, lakefront camping all in the beauty of Jocassee Gorges

**Karen Matthews** It sure is- we just got back from there last week...totally wonderful!!!

at 14:00:48 on 5/12/2010 UTC

**Matt Hardin** This is a wonderful place. I spend many days here every spring/summer. Lake Jocassee is such a gem. So much to explore.

at 14:39:23 on 5/12/2010 UTC

**Darlene Hoopii** did you know jocassee was once an old rock quarry? i heard there was old machinery on the bottom of the lake. thats why the lake is so dark... its deep.

at 15:20:53 on 5/12/2010 UTC

**Matt Hardin** The area to the left of the dam is where the old quarry was. You can actually see the drill holes and broken bits in the cliffside. It's said to be 300 plus ft straight down in that area. The main body of the lake is a river valley that was once a thriving community. There are lots of old buildings, graves and whatever else you can imagine at the bottom. It's basically a dammed up river gorge. This is why the lake is all around so deep. Lots of history under that lake.

**Joel Penland** Jocassee is my home away from home. It is a flatwater paddler's paradise.
