### NEW: Superintendent of Education Survey

#### *Which Candidates Make the Grade?*

On Tuesday, June 10 South Carolina voters will select a Republican and Democratic candidate in their respective primaries for State Superintendent of Education. With the Forum's deep involvement over the last year in education, we surveyed all of the candidates on questions related to our [Ten Ways to Supercharge Education](#) report that they might not otherwise be asked. The questions fall into 6 broad categories: Education Governance, School Accountability, School Choice, School Finance, Student Learning and Teaching Profession. 8 of the 12 candidates responded to the survey.

We hope this [20 question voter guide](#) will help you make an informed decision about which candidate will best serve our students and support proven, conservative reforms to unlock new education opportunity in SC.

*NOTE: Wording of questions does not indicate Forum support for or opposition to the issue.*
