Dear Elizabeth,

Thank you for your letter; it made my day. Let me tell you a little bit about me. I have two children, Rena (16) and Nalin (13). My husband, Michael, and I live with our kids in the Governor's Mansion, which is only a few blocks away from the Statehouse. We have a dog, two frogs, and a goldfish. As you know, South Carolina is a wonderful place to live. I absolutely love being governor of South Carolina because it is a great state! Every day there are new challenges and decisions I have to make. One of my top priorities is bringing more jobs to our state. It was great meeting you, and I am so glad we were able to get a picture together. Keep up the good work! God bless.

My very best,
