Subject: New Interactive Fundraising Calendar Builder

Dear Colleague,

We're about a month into 2017... I hope it's going well so far! I wanted to share with you our new [Interactive Calendar Builder for Digital Fundraising and Communication Campaigns](#) before we make it available to the public. We've included end-to-end campaign timelines for dinner galas, radio appearances, run walks, days of giving, and much more!

[Download and open this editable PDF in Acrobat, Reader \(Windows\), or Preview \(macOS\) to customize with your organization's information](#)

Use this calendar to...

- Create timelines for effective digital fundraising and communication
- Have a checklist of essential fundraising tasks throughout the year
- Schedule key dates right into your Google, Outlook, or iCal calendar
- Hear tips and see best practice examples from our team of experts

Download Free Calendar Builder Now

I am very confident this resource will help your organization to integrate digital solutions throughout the year for maximum campaign success!

Let's have a great year of fundraising,

Lindsey Himphill
