THAT THE PLANET EARTH HAS EVOLVED INTO AN UNSATISFACTORY WORLD

The planet Earth is a world where human civilizations are in constant conflict and discord. Bloody human combat, wars and hostilities are unending. Contempt for the planet's well-being is substantial. The human race is destructive, violent and evil.

Wrongdoing and brutality towards your fellow man is widespread. Globally human suffering is extensive. You are unable to manage your own planet. You bring catastrophic events upon yourself.

SUPERIOR INTELLIGENCE IS HERE TO HELP YOU

A superior intelligence has reached the Earth and intends to transform the Earth. If you try to defeat this superior intelligence grave consequences will befall you. Their powers are great and their desire to uplift mankind is profound. If left on your own you will destroy your own planet, deplete all the natural resources and leave a barren world devoid of all life. Your race is incompetent, arrogant and corrupt.

YOUR COOPERATION IS NEEDED

Your cooperation is required. In order for this superior intelligence to help you they need to obtain the presidency of the United States. Once the presidency is obtained they can establish a World Government. The World Government will manage all aspects of the planet Earth. Ensure the well-being of human populations. Manage and preserve the planets oceans, forests, fresh water supplies, food production and all scientific systems. The possibility for long-term survival of the human race will be established.

In order to obtain the presidency of the United States we need to have access to the television media. The American people and the people of the world need to see unique concepts for improving human civilizations. No one may judge these concepts. Their purpose is to bring about improved human conditions and global harmony.

YOU WILL NOT MAKE IT ON YOUR OWN

If our presidential candidate does not win the presidency of the United States through normal methods than we will have no choice but to seize the presidency. It is better if things are done through the normal process. Mankind will not survive on this planet under your present course of action. Because the world's global leadership is incompetent,

arrogant and corrupt nothing will be achieved to safeguard your planet and ensure the survival of mankind. We will not let you destroy yourself. Your immediate responsibility as a Governor is to assist our presidential candidate in your state. If you refuse this request later there will be consequences and you will regret your decision.

Contact us at our post office box address and inform us of your intentions to provide television coverage and your endorsement of our presidential candidate in your state.

If no response is received we will assume that you prefer to be compelled to act.
