RECEIVED

OCT 23 2014

Department of Health & Human Services
OFFICE OF THE DIRECTOR

Dear Mr. Keck:

The Centers for Medicare & Medicaid Services (CMS) approves the Operational Advance Planning Document-Update (OAPD-U) that South Carolina submitted on September 5, 2014. In accordance with 45 CFR Part 95.610, the state submitted the OAPD-U to summarize the operational activities and expenditures of its Dental System contract for the most recent contract year, and to document its projected budget and other activities for Federal Fiscal Year 2015. South Carolina contracts with Doral Dental USA, LLC (dba DentaQuest) to perform dental claims processing and management. The state is requesting \$4,429,981 (total federal financial participation (FFP) of \$2,768,738 with \$1,661,243 at 75 percent; and \$1,107,495 at 50 percent). This funding will expire on September 30, 2015.

Our approval of South Carolina's OAPD-U is subject to the requirements in regulations at 45 CFR Part 95, Subpart F, and 42 CFR Part 433, Subpart C. Funding identified in the OAPD-U was previously approved by CMS in a letter to the state dated May 21, 2014, approving an emergency sole source contract with DentaQuest on a month-to-month basis not to exceed 15 months beginning June 8, 2014.

South Carolina is reminded that onsite reviews may be conducted to determine whether or not the objectives for which FFP was approved are being accomplished, and whether or not the automatic data processing (ADP) equipment or services are being efficiently and effectively utilized in support of approved programs or projects as provided for at 45 CFR Part 95, Section 621 and the State Medicaid Manual (SMM). As provided by the SMM, Section 11 200 and by 45 CFR 95.611, all subsequent revisions and amendments to the APD for this project will require CMS prior written approval to qualify for FFP. In accordance with 45 CFR Part 95.623, state acquisition of ADP equipment and services without prior approval could result in disallowance of FFP.

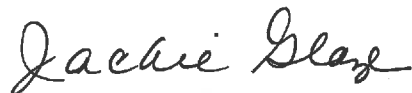

Mr. Anthony E. Keck

Any changes to previously approved contracts for this effort require CMS prior approval pursuant to 45 CFR 95.611. Allowable costs are determined by 42 CFR Part 433.116, 45 CFR Part 92, 45 CFR Part 95, Subpart F, and Part 11 of the SMM. Only actual costs incurred are reimbursable. The state must provide adequate support for all costs claimed in addition to providing detailed records and proper audit trails.

I would like to thank you and your staff for your ongoing success in administering South Carolina's Medicaid Management Information System (MMIS), of which the DentaQuest contract is an important part. If there are any questions concerning this information, please contact L. David Hinson at (404) 562-7411 or via email at Lawrence.Hinson@cms.hhs.gov.

Sincerely,

A handwritten signature in cursive script that reads "Jackie Glaze".
