Thank you, Amber.

Does it explain the purpose of the extension request? Do you mind sending us a copy?

Waiver is ready and will be sent to FNS tomorrow morning. I gave them a heads up last week.

David, I don't believe we have submitted the request yet. Current extension is good through December 31. I'll check with Amber and get back with you. Barbara

Hope y'all had a wonderful Thanksgiving holiday.

Because I have not heard back, I wanted to follow up on the status of the waiver extension application.

Thank you.

Team DSS and DEW,

Gov. Haley has decided that, at this point, a three (3) month extension to the waiver is the best policy to ensure success with both DEW taking over management of the E&T program, and DSS transitioning to ABAWD tracking without a waiver. We would appreciate if the purpose of the waiver was spelled out in

the waiver request, that being providing time for the E&T transition and DSS ABAWD tracking.

Thank you for all the work y'all have done to date, and for all the work y'all will continue to do as we move to a waiver-free program starting April 1, 2015.

Please do not hesitate to reach out with any questions. Have a Happy Thanksgiving.
