Hello Ms. Adams,

I appreciate your's and the Governor's tireless efforts in keeping awareness up regarding the flood disaster. I understand the Governor will be in Manning this upcoming Monday and wanted to reach out on behalf of my client's efforts to bring relief to Manning in hopes he could meet the Governor to explain this outreach.

A local builder, Ben Kennedy of Brighton Builders of Bluffton, SC is well underway in building two Tiny Homes to donate to Manning's First Baptist Church for families in need of shelter until they are able to rebuild. Our hopes are that once these families are back on their feet, the homes will be donated to others in need. We are trying to raise awareness that relief for flood victims is an ongoing need.

Thank you for your time. If you would like to review more about the outreach and progress, we have created a website:

We would love see Governor Haley speak and I look forward to hearing back on the location and time she will be addressing the Manning community.

Thanks again!

Jane Fielden
