Pursuant to Act 458 and amended by Act 95 and Act 162 in 2005, the Commission on Higher Education shall promulgate regulation and establish procedures to administer the Palmetto Fellows Scholarship Program. The General Assembly established the Palmetto Fellows Scholarship Program to foster scholarship among the State's postsecondary students and retain outstanding South Carolina high school graduates in the State through awards based on scholarship and achievement. The purpose of the Palmetto Fellows Scholarship Program is to recognize the most academically talented high school seniors in South Carolina and to encourage

them to attend eligible colleges or universities in the State. A secondary purpose is to help retain talented minority students who might otherwise pursue studies outside the State.

62-1105 Purpose of the Palmetto Fellows Scholarship Enhancement

Pursuant to Act 115, which was established in 2007 as Title 59 of the 1976 code during the 2007 legislative session, the Commission on Higher Education shall promulgate regulation and establish procedures for administration of the Palmetto Fellows Scholarship Enhancement. The General Assembly established the Palmetto Fellows Scholarship Enhancement in order to foster scholarship among the State's postsecondary students through awards based on scholarship and achievement. The purpose of the Palmetto Fellows Scholarship Enhancement program is to recognize the most academically talented college students throughout the state of South Carolina in the areas of mathematics and science and encourage them to attend eligible colleges or universities in the State.

Fifty percent of the appropriation shall be designated for the Palmetto Fellows Scholarship Program and the remaining fifty percent shall be for the Need-based Grants Program. However, in instances where the equal division of the appropriated funds between the Palmetto Fellows Scholarship and Need-based Grants Programs exceeds the capacity to make awards in either program, the Commission on Higher Education has the authority to re-allocate the remaining funds between the two programs. The Commission on Higher Education shall award to eligible students attending eligible independent or public institutions as Palmetto Fellows Scholarships as follows:

1. Of the funds allocated to public institutions, the percentage shall be equivalent to the percentage of the public institution's share of the total South Carolina resident undergraduate full-time headcount enrollment in the preceding year.

2. Of the funds allocated to independent institutions, the percentage shall be equivalent to the percentage of the independent institutions' share of the total South Carolina resident undergraduate full-time headcount enrollment in the preceding year and will be determined annually by the South Carolina Commission on Higher Education and the Tuition Grants Commission.

B. Under the *South Carolina Education Lottery Act*, a designated amount shall be allocated for Palmetto Fellows Scholarships and shall be included in the annual appropriation to the Commission on Higher Education.

C. After expending funds appropriated for Palmetto Fellows Scholarships and Palmetto Fellows Scholarship Enhancement from all other sources, there is automatically appropriated from the

Students may use the highest Math score and highest Critical Reading/Verbal score from different test administrations. However, students cannot use the Writing subsection score to meet the minimum SAT score requirement. Students may use the SAT version prior to March 2005 and/or the new version to meet the SAT score requirement. In order to determine the minimum composite score for the ACT, students must use the highest composite score based upon one test administration.

F. Grade point averages must be based on the Uniform Grading Scale, reported with at least two decimal places, and may not be rounded up.

These students must meet all other eligibility criteria.

I. Students who attend out-of-state preparatory high schools must be eligible to apply by using the alternative criteria of scoring at least 1400 on the SAT (or 32 on the ACT) and earning a minimum 4.00 cumulative GPA on the Uniform Grading Scale. In order to meet the GPA requirement, students must request that an official designated by the Commission on Higher Education convert the students' grades to the UGS. Any fees and requirements associated with the grade conversion are the responsibility of the student. These students must meet all other eligibility criteria, including South Carolina residency requirements.

62-1130 Selection Process

A. The Commission on Higher Education shall notify students of their selection as a Palmetto Fellow along with the terms and conditions of the award.

B. In order to accept the Scholarship, students must return a form that designates an eligible independent or public institution in which they plan to enroll by the date established by the Commission on Higher Education.

C. Visually impaired, hearing impaired or multi-handicapped students who qualify for the Scholarship may use the State Scholarship funds to attend a four-year out-of-state institution that specializes in educating students with their impairment upon receiving prior approval from the Commission on Higher Education. The Commission on Higher Education shall make the final decision whether an out-of-state institution specializes in the postsecondary education of visually impaired, hearing impaired or multi-handicapped students.

D. A student who applied for and was subsequently awarded the Palmetto Fellows Scholarship as a senior in high school, but declined the award to attend a four-year out-of-state institution, is eligible to reapply for the Scholarship upon transferring back to an eligible independent or public institution in South Carolina. Students must have met all initial and continued eligibility requirements for the Palmetto Fellows Scholarship. The number of terms a student attended college out-of-state will be deducted from the eight terms of Scholarship eligibility.

E. The Commission on Higher Education shall ensure that there is equitable minority participation in the Program.

Adjustments to the financial aid package will be made to the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement in accordance with prescribed Title IV Regulations in order to prevent an over-award.

E. Although a student may be named a Palmetto Fellow, the student may not receive Palmetto Fellows Scholarship or Palmetto Fellows Scholarship Enhancement funds if the award, when added to other financial resources, would cause the student to receive total assistance in excess of the student's cost of attendance as defined by Title IV Regulations and these guidelines.

F. Eligible independent and public institutions will notify students of their award along with the terms and conditions of the award.

G. Upon verification, eligible independent and public institutions will notify the Commission on Higher Education on an annual basis, the names of students who will be awarded the Palmetto Fellows Scholarship Enhancement.

However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* of a second alcohol/drug related misdemeanor offense is ineligible for the next academic year of enrollment at an eligible institution after the date of the adjudication, conviction or plea. If the adjudication, conviction, or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will be eligible to receive the Scholarship the remainder of the academic year. However, the student will be ineligible for the Scholarship the following entire academic year of enrollment. If a student completes a pretrial intervention program and has his/her record expunged the conviction will not affect Scholarship eligibility;

62-1160 Enrollment in Internships, Cooperative Work Programs, Travel Study Programs,
or National or International Student Exchange Programs

A. Students enrolled in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as full-time transfer credit are eligible to receive Palmetto Fellows Scholarship and Palmetto Fellow Scholarship Enhancement funds during the period in which the student is enrolled in such programs. Students will be required to meet the continued eligibility requirements.

B. Eligible students may use the appropriated portion of the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement funds for internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as full-time transfer credit. Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement funds must be paid directly to the student's account at the home institution. The amount awarded cannot exceed the cost of attendance at the home institution or the cost of attendance at the host institution, whichever is less. The Commission on Higher Education will not transfer Scholarship funds to the institutions where students will participate in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs. The home institution is responsible for Scholarship funds according to the "Program Administration and Audits" Section.

C. Students who enroll in one academic term at the home institution and also enroll in an internship, cooperative work program, travel study program, or National or International Student Exchange Program that are approved by the home institution and that do not award full-time transfer credit during the same academic year must earn fifteen credit hours and a cumulative 3.0

grade point average for graduation purposes by the end of the academic year to be eligible for Scholarship renewal for the next academic year. The student may continue to be eligible to receive the Palmetto Fellows Scholarship for up to a total of eight terms and the Palmetto Fellows Scholarship Enhancement for up to a total of six terms (or its equivalent) at all institutions attended (provided the student meets the continued eligibility requirements).

D. For students enrolling in an internship, cooperative work program, travel study program, or National or International Student Exchange Program that is approved by the home institution but does not award full-time transfer credit for the entire academic year, Scholarship renewal for the next academic year will be based on the prior year's eligibility. The student may continue to be eligible to receive the Palmetto Fellows Scholarship for up to a total of eight terms and the Palmetto Fellows Scholarship Enhancement for up to a total six terms (or its equivalent) at all institutions attended (provided the student meets the continued eligibility requirements).

E. Students enrolling in an internship, a cooperative work program, a travel study program, or National or International Student Exchange Program that are approved by the home institution during the academic year and did not use their entire eligibility for the Palmetto Fellows Scholarship or the Palmetto Fellows Scholarship Enhancement funds during this period shall be allowed to receive one term of Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement funds during the succeeding summer. In order to receive the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement funds for the succeeding summer term, students must enroll in twelve credit hours at the home institution. In order to maintain eligibility for the next academic year for students who only attend summer school, the student must earn twelve credit hours by the end of the academic year. For students who enroll in summer school and one other term of the academic year, the student must earn a total of 27 credit hours (or its equivalent) by the end of the academic year. The student must meet all continued eligibility requirements, except for the completion of the thirty credit hour requirement for the academic year.

F. The home institution will be responsible for obtaining official certification of the student's cumulative grade point average, credit hours earned and verification from the academic department of enrollment status in a declared major for the purposes of determining eligibility for Scholarship renewal for the next academic year.

62-1165 Military Mobilization

A. Service members who are enrolled in college and are affected by military mobilizations will not be penalized for the term they are required to withdraw after the full refund period based on the institutional policies and procedures. Institutions are strongly encouraged to provide a full refund of required tuition, fees and other institutional charges or to provide a credit in a comparable amount against future charges for students who are forced to withdraw as a result of military mobilization. Additionally, the term(s) that the service member is mobilized will not count against the maximum terms of eligibility. The service member shall be allowed to receive the unused term(s) while mobilized during the succeeding summer term or at the end of the maximum terms of eligibility (provided the service member meets continued eligibility requirements). The service member must re-enroll in an eligible independent or public institution within twelve months upon their demobilization and provide official documentation to verify military deployment to the institutional Financial Aid Office upon re-enrollment. Reinstatement will be based upon the service member's eligibility at the time he/she was mobilized. If the service member re-enrolls after the twelve month period, the service member must submit an Appeal Application to the Commission on Higher Education by the established deadline in order

to be considered for reinstatement.

B. Service members who are enrolled in college and are mobilized for a minimum of one academic year may renew the Scholarship for the next academic year, if they met the continued eligibility requirements at the end of the prior academic year. Service members may continue to be eligible to receive the Palmetto Fellows Scholarship for up to a total of eight terms and the Palmetto Fellows Scholarship Enhancement for up to a total of six terms (or its equivalent) at all institutions attended (provided the service member meets continued eligibility requirements).

C. Service members who are enrolled in college and are mobilized for one academic term must complete fifteen credit hours and earn a cumulative 3.0 grade point average for graduation purposes by the end of the academic year to be eligible for Scholarship renewal for the next academic year. Service members may continue to be eligible to receive the Palmetto Fellows Scholarship for up to a total of eight terms and the Palmetto Fellows Scholarship Enhancement for up to a total of six terms (or its equivalent) at all institutions attended (provided the service member meets the continued eligibility requirements).

D. In order to receive the Palmetto Fellows Scholarship and a Palmetto Fellows Scholarship Enhancement for summer school for the unused term(s), the service member must enroll in twelve credit hours during the succeeding summer term at the home institution. For service members who enroll in summer school and one other term of the academic year, the service member must earn a total of twenty-seven credit hours (or its equivalent) by the end of the academic year. In order to maintain eligibility for the next academic year for service members who only attend summer school, the member must earn twelve credit hours by the end of the academic year. The service member must meet all continued eligibility requirements, except for the completion of the thirty credit hour requirement for the academic year.

E. The home institution will be responsible for obtaining verification of military mobilization status, cumulative grade point average, credit hours earned and verification from the academic department of enrollment status in a declared major for the purposes of determining eligibility for Scholarship renewal for the next academic year.

62-1170 Appeals Procedures for the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement

A. The Commission on Higher Education shall define the procedures for scholarship appeals.

B. A student who does not meet the continued eligibility criteria for renewal of the Palmetto Fellows Scholarship forfeits continued participation in the Program and may request an appeal based on extenuating circumstances.

C. A student is allowed to submit only one appeal each academic year.

D. A student wishing to appeal any non-renewal decision based on extenuating circumstances must submit the following source documents to the Commission on Higher Education by no later than the established deadline of the academic year the scholarship is requested:

1. A completed application for appeal
2. A letter requesting an appeal describing the extenuating circumstances
3. An official transcript(s)
4. Any other supporting documentation to substantiate the basis for the appeal

E. A student who fails to submit an appeal by the required deadline will result in forfeiture of the award.

F. The Palmetto Fellows Scholarship shall be suspended during the appeal period, but will be awarded retroactively if the appeal is granted.

G. Appeal Guidelines apply only to the Palmetto Fellows Scholarship, not the Palmetto Fellows Scholarship Enhancement. Students cannot appeal solely on the basis of a loss of a Palmetto Fellows Scholarship Enhancement.

G. The Appeals Committee's decision is final.

62-1175 Institutional Disbursement of Palmetto Fellows Scholarship Funds and the Palmetto Fellows Scholarship Enhancement

A. The institution will identify Palmetto Fellows Scholarship amounts, which cannot exceed \$6,700 per academic year for first year students and \$7,500 for second, third, fourth and fifth year students. The institution will identify Palmetto Fellows Scholarship Enhancement amounts which cannot exceed \$2,500 for the second, third, fourth and fifth year. Half of each Scholarship shall be awarded during the fall term and half during the spring (or its equivalent), assuming continued eligibility. Scholarships cannot be disbursed during the summer or any interim sessions with the exception of disbursements that meet the requirements under the "Enrollment in Internships, Cooperative Work Programs, Travel Study Programs, or National or International Student Exchange Programs" or "Military Mobilization" Sections. Palmetto Fellows Scholarships may not be funded for more than a total of eight terms and Palmetto Fellows Scholarship Enhancements may not be funded for more than a total of six terms (or its equivalent) of full-time study toward the first bachelor's degree. Students must maintain their undergraduate status, with the exception of students enrolled in the Master of Science in Physician Assistant studies, Master of Science in Cytology and Biosciences and the Doctor of Pharmacy program at the University of South Carolina and the Medical University of South Carolina, in order to receive a Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement each academic year. Students enrolled in an approved five-year degree program may be eligible to receive a Palmetto Fellows Scholarship for a fifth year of full-time, undergraduate coursework and a Palmetto Fellows Scholarship Enhancement for a fourth year of full-time undergraduate coursework.

B. The Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement may not be applied to remedial/developmental coursework, a second bachelor's degree or to graduate coursework, unless the graduate coursework is required as part of a program of study that is structured so as not to require a bachelor's degree and leads to a graduate degree as defined in the "Program Definitions" Section.

C. The institution shall provide each Palmetto Fellow with an award notification for their Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement for each academic year, which will contain the terms and conditions of the Scholarship and other financial aid awarded. Students will be notified of adjustments in financial aid due to changes in eligibility and/or over-award issues. The Commission on Higher Education, for documentation purposes, requires that each institution obtain verification of acceptance of the Palmetto Fellows Scholarship and terms for the award.

D. After the last day to register for each term of the academic year, the institution will verify enrollment of each recipient as a South Carolina resident who is a full-time degree-seeking student. The institution must submit a request for funds and/or return of funds by the established deadline each term. In addition, a listing of eligible recipients by identification number with the award amounts must be sent to the Commission on Higher Education by the established deadline each term. At this time, any unused funds must be returned to the Commission immediately.

E. The Commission will disburse awards to the eligible independent and public institutions to be placed in each eligible student's account.

G. Students who change their major from an ineligible degree program to an eligible degree program during the same academic year shall not receive the Palmetto Fellows Scholarship Enhancement for that academic year. Students who change their major from an eligible degree program to an ineligible degree program during the same academic year may continue to receive the Palmetto Fellows Scholarship Enhancement during the current academic year; however, the student cannot be awarded the Palmetto Fellows Scholarship the next academic year of enrollment in an ineligible degree program.

62-1180 Refunds and Repayments Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement

A. In the event a student who has been awarded a Palmetto Fellows Scholarship and a Palmetto Fellows Scholarship Enhancement withdraws, is suspended from the institution, or drops below full-time status during any regular term of the academic year, institutions must reimburse the Palmetto Fellows Scholarship Program for the amount of the Scholarship for the term in question pursuant to refund policies of the institution. Collection is the responsibility of the institution.

B. In the event a student withdraws or drops below full-time status after the institution's refund period and therefore must pay tuition and fees for full-time enrollment, the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement may be retained by the student pursuant to the refund policies of the institution.

C. The Palmetto Fellows Scholarship as well as award amounts for the Palmetto Fellows Scholarship Enhancement are both contingent on the availability of funds appropriated by the General Assembly each academic year.

62-1185 Program Administration and Audits

A. The South Carolina Commission on Higher Education shall be responsible for the oversight of functions (e.g., guidelines, policies, rules, regulations) relative to this Program with eligible independent and public institutions. The Commission on Higher Education shall be responsible for the allocation of funds, promulgation of guidelines and regulation governing the Palmetto Fellows Scholarship Program, any audits, or other oversight as may be deemed necessary to monitor the expenditures of Scholarship funds.

B. According to the Audit Policies and Procedures for Scholarship and Grant Programs Manual, all eligible independent and public institutions that participate in the Program must abide by Program policies, rules or regulations. Institutions also agree to maintain and provide all pertinent information, records, reports, or any information as may be required or requested by the Commission on Higher Education or the General Assembly to ensure proper administration of the Program.

C. The Chief Executive Officer at each eligible independent and public institution shall identify to the Commission on Higher Education a Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement institutional representative who is responsible for the operation of the Program on the campus and will serve as the contact person for the Program. The institutional representative will act as the student's fiscal agent to receive and deliver funds for use under the Program.

62-1190 Suspension or Termination of Institutional Participation

A. The Commission on Higher Education may review institutional administrative practices to determine institutional compliance with pertinent statutes, guidelines, rules or regulations. If such a review determines that an institution has failed to comply with Program statutes, guidelines, rules or regulations, the Commission on Higher Education may suspend, terminate, or place certain conditions upon the institution's continued participation in the Program and require reimbursement to the Palmetto Fellows Scholarship Program for any funds lost or improperly awarded.

B. Upon receipt of evidence that an institution has failed to comply, the Commission on Higher Education shall notify the institution in writing of the nature of such allegations and conduct an audit.

C. If an audit indicates that a violation(s) may have occurred or are occurring at any eligible independent or public institution, the Commission on Higher Education shall secure immediate reimbursement from the institution in the event that any funds were expended out of compliance with the provisions of the Act, any relevant statutes, guidelines, rules, and regulations.

Statement of Rationale: The Palmetto Fellows Scholarship Enhancement regulation is required by Section 59-104-20 of Act 115 of 2007 in implementing the legislation.

Pursuant to Act 418, which was initially established in 1998 as Title 59 of the 1976 code and amended by Act 162 during the 2005 legislative session, the Commission on Higher Education shall promulgate regulation and establish procedures for administration of the LIFE Scholarship Program. The General Assembly established the LIFE Scholarship Program in order to increase the access to higher education, improve the employability of South Carolina's students so as to attract business to the State, provide incentives for students to be better prepared for college, and to encourage students to graduate from college on time.

With Act 115, which was established in 2007 as Title 59 of the 1976 code during the 2007 legislative session, the General Assembly established the LIFE Scholarship Enhancement in order to increase the number of students in the State majoring in mathematics and science and to increase the access to higher education, improve the employability of South Carolina's students so as to attract business to the State, provide incentives for students to be better prepared for college, and to encourage students to graduate from college on time. Students enrolled at two-year institutions are not eligible to receive a LIFE Scholarship Enhancement. In order to receive a LIFE Scholarship Enhancement, all students must qualify for the LIFE Scholarship as stipulated herein.

62-1200.5 Program Definitions

A. "Academic year" is defined as the twelve month period during which a full-time student is expected to earn thirty credit hours. The period of time used to measure the academic year will consist of the fall, spring and summer terms (or its equivalent).

B. A student who has earned a GED diploma or SC High School Diploma through Adult Education without a cumulative GPA may be eligible to earn the LIFE Scholarship at the end of the first academic year of a non-GED program. The student must meet the annual credit hour requirement (or equivalent) and a 3.0 "LIFE GPA" at the end of the first academic year. To qualify for subsequent years, the student must meet all eligibility requirements as stated in Section A above.

C. An "approved five-year bachelor's degree program" shall mean a five-year bachelor's program as defined and approved by the Commission on Higher Education to receive the LIFE Scholarship for a maximum of ten terms at the same eligible institution in order to complete the requirements for a bachelor's degree. An approved five-year bachelor's degree program does not include inter-institutional and cooperative "3+2" programs (normally in a science degree field and an engineering program).

D. "Annual credit hour requirement" shall be defined as an average of thirty (30) credit hours earned at the end of the academic year based on initial college enrollment at all eligible institutions attended, excluding hours for remedial, continuing education, and non-degree coursework. Credit hours earned before high school graduation, Advanced Placement (AP) credit hours, exempted credit hours, and credit hours earned on active duty must count toward the annual credit hour requirement.

E. "Associate's degree program" is defined as a two-year technical or occupational program, or at least a two-year program that is acceptable for full credit towards a bachelor's degree as defined by the U.S. Department of Education.

F. "Attempted credit hours" shall be defined as courses in which a student earns a grade and is included in the grade point calculation for that institution. Eligible credit hours that do not transfer must also be included. Credit hours earned through dual-enrollment prior to high school graduation must be included in the LIFE GPA. Exempted credit hours, Advanced Placement (AP), College Level Examination Program (CLEP), remedial/developmental courses, non-degree credit courses for an associate's degree or higher, Pass/Fail and non-penalty withdrawal credit hours are excluded from the "attempted credit hours." If a student transfers, refer to the institution's grading policy where the credit hours were earned. Any credit hours attempted or earned before high school graduation, hours exempted by examination, or Advanced Placement (AP) credit hours do not count against the terms of eligibility.

G. "Bachelor's degree program" is defined as an undergraduate program of study leading to a bachelor's degree as defined by the U.S. Department of Education.

H. "Book allowance" shall mean funds that may be applied to the student's account for expenses towards the cost-of-attendance including the cost of textbooks.

I. "CIP Code (Classification of Instructional Program)" The U.S. Department of Education's standard for federal surveys and state reporting for institutional data (majors, minors, options and courses). For the purpose of receiving the LIFE Scholarship Enhancement, CIP codes have been approved by the Commission on Higher Education for eligible degree programs in the fields of mathematics and science.

J. "Cost-of-attendance" as defined by Title IV Regulations and may include tuition, fees, living expenses, and other expenses such as costs related to disability or dependent care.

K. "Cost-of-tuition" shall mean the amount charged for enrolling in credit hours of instruction and mandatory fees assessed to all students. Other fees, charges, or cost of textbooks cannot be included.

L. "Declared major" shall be defined, for the purposes of the LIFE Scholarship Enhancement, as a degree program in which a student is enrolled as a full-time, degree-seeking student. The student must meet all requirements as stipulated by the policies established by the institution and the academic department to be enrolled as a declared major in an eligible program. Students cannot take courses related to a specific program without meeting institutional and departmental policies and be considered as a declared major. Students must be enrolled as a declared major in an eligible program that is approved and assigned a CIP code by the Commission. Eligible programs are those listed as such on the Commission's website.

M. "Degree-seeking student" is defined as any full-time student enrolled in an eligible institution which leads to the first one-year certificate, first two-year program or associate's degree, or first bachelor's or program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree. Upon completion of the first one-year certificate, first two-year program or associate's degree, or first bachelor's or program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree, the student cannot use scholarship funds to pursue a program in the same or preceding level. Students are eligible to receive the Scholarship for a maximum of eight terms (or its equivalent) towards an undergraduate degree, as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education. Students must be enrolled in an undergraduate degree program in order to receive a LIFE Scholarship and a LIFE Scholarship Enhancement each academic term. 62-1200.10 Student Eligibility: LIFE Scholarship and LIFE Scholarship Enhancement

A. To be eligible for a LIFE Scholarship, students must:

1. Be a U.S. citizen or a legal permanent resident that meets the definition of an eligible non-citizen under State Residency Statutes; and
2. Be a South Carolina resident for in-state purposes at the time of high school graduation and at the time of enrollment at the institution, as set forth by Section 59-112-10, and be either a member of a class graduating from a high school located in this State, or a student who has successfully completed at least three of the final four years of high school within this State, or a home school student who has successfully completed a high school home school program in this State in the manner required by law, or a student graduating from a preparatory high school outside this State, while a dependent of a parent or guardian who is a legal resident of this State and has custody of the dependent according to State Statute, Section 59-149-50A or a student whose parent or guardian has served in or has retired from one of the United States Armed Forces within the last four years, paid income taxes in this State for a majority of the years of service, and is a resident of this State;
3. Meet two of the following three criteria if a first-time entering freshman at an eligible four-year institution:
 - a. Earn a cumulative 3.0 grade point average (GPA) based on the Uniform Grading Scale (UGS) upon high school graduation. No other grading policy will be allowed to qualify for the LIFE Scholarship. Grade point averages must be reported to two decimal places (minimum) and may not be rounded. For example, a student who earns a 2.99 GPA is not eligible. Institutions shall use the final GPA as reported on the official transcript.
 - b. Score at least an 1100 on the Scholastic Assessment Test (SAT) or an equivalent ACT score of 24. Test scores will be accepted through the June national test administration of the SAT and ACT during the year of high school graduation. The student must use the highest SAT Math score combined with the highest SAT Critical Reading score (formerly known as the Verbal score). It is permissible to select scores from different test administrations in order to obtain the qualifying composite score. Students cannot use the Writing subsection score to obtain the qualifying composite score. The composite ACT score must be based upon one test administration.
 - c. Rank in the top thirty percent of the graduating class consisting of high school diploma candidates only. The rank must also be based on the UGS only. Ranking percentages must be reported to two decimal places (minimum) and may not be rounded. For example, a student who has a class rank of 13 of 43 ($13/43 \times 100 = 30.23\%$) will not rank in the top thirty percent of the class since 30.23% is not within thirty percent. To determine the top thirty percent for graduating classes with three or less students, the student who is ranked number one in the class would be considered in the top thirty percent for LIFE Scholarship eligibility. Institutions shall use the final ranking as reported by the high school on the official transcript. If a student is a member of an approved home school association that ranks, a ranking report must be attached to the official transcript.
4. Earn a cumulative 3.0 grade point average (GPA) on the Uniform Grading Scale upon high school graduation and score at least an 1100 on the Scholastic Assessment Test (SAT I) or an equivalent ACT score of 24 if a first-time entering freshman graduates from a non-ranking South Carolina high school, non-ranking South Carolina approved home school association or out-of-state preparatory high school and attends an eligible four-year

institution;

5. Earn a cumulative 3.0 grade point average (GPA) upon high school graduation on the Uniform Grading Scale if a first-time entering freshman at an eligible two-year or technical institution. No other grading policy will be allowed to qualify for the LIFE Scholarship. Grade point ratios must be reported to two decimal places (minimum) and may not be rounded. For example, a student who earns a 2.99 GPA is not eligible. Institutions shall use the final GPA as reported by the high school on the official transcript;

6. Be admitted, enrolled full-time, and classified as a degree-seeking student at a public or independent institution in South Carolina;

7. Certify that he/she has never been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* to any felonies or any second or subsequent alcohol/drug related offenses under the laws of this or any other state or under the laws of the United States in order to be eligible for a LIFE Scholarship, except that a high school or college student otherwise qualified who has been adjudicated delinquent or has been convicted or pled guilty or *nolo contendere* to a second or subsequent alcohol or drug-related misdemeanor offense nevertheless shall be eligible or continue to be eligible for such scholarships after the expiration of one academic year from the date of the adjudication, conviction, or plea by submitting an affidavit each academic year to the institution. However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* to a second or subsequent alcohol/drug related misdemeanor offense is ineligible for the next academic year of enrollment at an eligible institution after the date of the adjudication, conviction or plea. If the adjudication, conviction, or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will be eligible to receive the Scholarship the remainder of the academic year. However, the student will be ineligible for the Scholarship the following entire academic year of enrollment. If a student completes a pretrial intervention program and has his/her record expunged the conviction will not affect Scholarship eligibility; and

8. Certify that he/she has not defaulted and does not owe a refund or repayment on any federal or state financial aid. If a student has an Institutional Student Information Record (ISIR) or its equivalent on file, the ISIR information will be used to verify default status or refund/repayment owed on any Federal or State financial aid. Students who have not completed a Free Application for Federal Student Aid (FAFSA) must have an affidavit on file to verify that he/she is not in default and does not owe a refund or repayment on any Federal or State financial aid including, state grants/scholarships, Federal Pell Grant, Supplemental Educational Opportunity Grant, Perkins Loan and Federal Stafford Loan.

B. Any credit hours attempted or earned before high school graduation, hours exempted by examination, or Advanced Placement (AP) credit hours do not count against the terms of eligibility as provided in State Statute, Section 59-149-60. The credit hours earned before high school graduation can be used toward the credit hour requirement. Credit hours earned through CLEP or AP will be used toward the credit hour requirement.

C. Service members of the United States Armed Forces will not be penalized for any credit hours earned while on active duty. The credit hours earned on active duty will not count against the terms of eligibility, but will be used towards the annual credit hour requirement.

D. First-time entering freshmen will not be penalized for any credit hours earned during the summer

session immediately prior to the student's initial college enrollment. The credit hours earned will not count against the terms of eligibility. The credit hours may be used toward the annual credit hour requirement.

E. Students who complete their high school graduation requirements prior to the official graduation date reported on the final high school transcript may be eligible to receive the LIFE Scholarship dependent on the approval of the Commission on Higher Education (CHE). The student must complete and submit an Early Graduation Application, an official high school transcript, an official letter from the high school principal verifying that he/she has met all graduation requirements, and SAT/ACT scores (if attending a four-year institution) by the established deadline. Early graduates cannot use class rank in order to qualify for the LIFE Scholarship at four-year institutions for the spring semester since the class has not officially graduated. A student may use class rank to receive the Scholarship after the class officially graduates. Early graduates who enroll mid-year (spring term) and are awarded the LIFE Scholarship through the Early Graduation process will officially begin their initial college enrollment. In order to receive the LIFE Scholarship the next academic year, the student must earn a minimum of fifteen credit hours and a 3.0 "LIFE GPA" at the end of the academic year. The student will be eligible to receive the maximum number of terms of eligibility based on initial college enrollment. If a student does not submit an early graduation application for the spring term and has not officially graduated, the student should not have received the LIFE Scholarship and that term will not count against his/her terms of Scholarship eligibility.

F. First-time entering freshmen who enroll mid-year (spring semester) are eligible for the LIFE Scholarship if they qualified upon high school graduation.

G. LIFE Scholarship funds may not be applied to the cost of continuing education, remedial/developmental or non-degree credit courses for an associate's degree or higher. Twelve credit hours of the course load must be non-remedial/developmental, non-continuing education or degree-credit courses for an associate's degree or higher in order to receive LIFE Scholarship funds. Continuing education, non-degree credit for an associate's degree or higher and remedial/developmental courses will not be included in the "LIFE GPA" or credit hour calculations.

H. Non-degree credit hours shall be used to meet the full-time eligibility criteria for a diploma or certificate program only. Students must sign an affidavit certifying that they understand that non-degree credit hours will not be used in calculating the "LIFE GPA" or credit hour requirements if they are enrolled in an Associate's degree or higher.

I. First-time entering freshmen attending an eligible two-year or technical college who enroll full-time in remedial/developmental courses during the first term(s) will not be eligible for Scholarship funds during this period. Credit hours earned during the term(s) of remedial/developmental enrollment will not be used to determine remaining Scholarship eligibility at the completion of remediation unless the student has completed at least twelve credit hours of non-remedial/developmental coursework each term of enrollment. The student will be eligible for the Scholarship for the term following completion of remediation if the student was eligible to receive the LIFE Scholarship upon high school graduation. If the student requires more than one academic year of remedial/developmental coursework, then he/she will not be eligible for the LIFE Scholarship the term after completion of remediation. If the student was not eligible for the Scholarship upon high school graduation, the student must meet the conditions set forth in Section J below in order to gain the LIFE Scholarship.

J. Students who do not meet the scholarship eligibility requirements upon high school graduation and enroll full-time in remedial/developmental courses must meet the scholarship eligibility requirements

(earn a 3.0 "LIFE GPA" and earn an average of thirty credit hours for the academic year) at the end of the first year of enrollment in non-remedial/developmental courses to be eligible to receive the scholarship for the second year of enrollment in non-remedial/developmental courses.

K. Students receiving a LIFE Scholarship are not eligible to receive a Palmetto Fellows Scholarship, SC HOPE Scholarship or Lottery Tuition Assistance.

L. Students who have already been awarded their first bachelor's degree or graduate degree are not eligible to receive the LIFE Scholarship. In cases where students are enrolled in a program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree, which will be the students' first academic degree awarded, the students must maintain their undergraduate status in order to receive a LIFE Scholarship and a LIFE Scholarship Enhancement each academic term, with the exception of students majoring in the Master's of Science in Physician Assistant Studies Program, Master's of Science in Cytology and Biosciences Program and the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Medical University of South Carolina.

M. All documents required for determining LIFE Scholarship eligibility must be submitted to the institution by their established deadline(s). Students must submit official transcripts from all previous and current institutions, which provide evidence to calculate the "LIFE GPA," determine initial college enrollment and earned annual credit hour requirement. Students that complete coursework at another institution at any time during the academic year (fall, spring, summer) must submit an official transcript to the home institution at the end of the academic year to determine eligibility for the LIFE Scholarship.

N. First-time entering freshmen who attended out-of-state preparatory high schools or graduated from a SC high school prior to the full implementation of the Uniform Grading Scale in 2004 (if the high school had not already converted to UGS) must have their high school transcript converted by a designated official appointed by the Commission on Higher Education to the UGS in order to qualify for the LIFE Scholarship. Any fees and requirements for the conversion are the responsibility of the student. Students who attended high school out-of-state must meet the South Carolina residency requirement.

O. To be eligible for a LIFE Scholarship Enhancement each academic year, the student must:

1. Meet all of the eligibility requirements at the end of each academic year to receive a LIFE Scholarship as stipulated by state law and regulation and be a recipient of LIFE Scholarship funds at the time of LIFE Scholarship Enhancement disbursement. The student must receive the underlying LIFE Scholarship;
2. Be enrolled as a full-time, degree-seeking student in a declared major of science or mathematics in an eligible program that is approved and assigned a CIP code by the Commission on Higher Education at the time of disbursement of LIFE Scholarship Enhancement funds. Eligible programs include degrees awarded in math and science fields, computer science or informational technology, engineering, science education, math education and healthcare and related disciplines including medicine and dentistry. The student must meet all requirements for satisfactory academic progress towards completion of the declared major as established by the policies of both the institution and the academic department in which the student is enrolled;
3. Be enrolled at an eligible four-year public or independent institution located in South

Carolina;

4. Effective for the 2007-08 academic year only, all students who are enrolled at a four-year institution as a sophomore, junior or senior must meet the continued eligibility requirements of earning a minimum average of 30 credit hours and a minimum 3.0 LIFE GPA as stipulated by law and regulation for the LIFE Scholarship by the end of each academic year, be a recipient of LIFE Scholarship funds, and be enrolled as a full-time, degree-seeking student in a declared major of science or mathematics in an eligible program that is approved and assigned a CIP code by the Commission on Higher Education at the time of disbursement of LIFE Scholarship Enhancement funds. These students may continue to receive the LIFE Scholarship Enhancement for their remaining terms of eligibility for the LIFE Scholarship. To be awarded a LIFE Scholarship Enhancement each year, these students must meet all requirements for the LIFE Scholarship and be enrolled as a full-time, degree-seeking student in a declared major of science or mathematics in an eligible program that is approved and assigned a CIP code by the Commission on Higher Education at the time of disbursement of LIFE Scholarship Enhancement funds;
5. Beginning with the Fall 2007 freshman class and thereafter, all students must have successfully completed a total of at least fourteen credit hours of instruction in mathematics and life and physical science courses with a minimum of six hours in mathematics and a minimum of six hours in life and physical science including one laboratory course by the end of the student's first year of enrollment in college (based on initial date of college enrollment). For purposes of meeting the required minimum level of instruction in mathematics and life and physical science courses during a student's first year, Exempted Credit Hours, College Level Examination Program (CLEP), Dual Enrollment, courses taken during the summer session immediately prior to the student's initial college enrollment, Pass/Fail courses with a grade of "Pass" (only), International Baccalaureate (IB) courses and Advanced Placement (AP) courses in mathematics and life and physical sciences taken in high school in which the student scored a three or more on the advanced placement test and received college credit may count toward the fulfillment of this minimum requirement. The Commission will issue a list of eligible courses by CIP code for determining eligible coursework to meet the fourteen credit hour requirement. Remedial/developmental, continuing education, non-degree credit coursework and credit hours earned for courses taken after the end of the student's first year of college enrollment cannot be used to meet the specified minimum fourteen credit hour course level requirement to gain eligibility to receive the LIFE Scholarship Enhancement;
6. Meet the continued eligibility requirements for the LIFE Scholarship of a minimum 3.0 LIFE GPA and a minimum average of 30 credit hours by the end of each academic year;
7. Be in the second, third or fourth year of full-time enrollment (based on initial date of college enrollment after high school graduation) at an eligible four-year public or independent institution in South Carolina. Students enrolled full-time in an eligible, approved five-year degree program may also be eligible to receive a LIFE Scholarship Enhancement in their fifth year of college enrollment (based on initial date of college enrollment); and
8. Students who initially enroll in college mid-year (i.e., spring term) as a freshman and meet the requirements under Section 62-1200.10 may be eligible to receive a LIFE

Scholarship Enhancement at the beginning of the spring term of the next academic year (i.e., beginning with the third consecutive term of full-time enrollment based on initial date of college enrollment). The student must earn a minimum average of 15 credit hours and a 3.0 LIFE GPA to be awarded a LIFE Scholarship the following academic year and a minimum average of 30 credit hours by the end of the first academic year (i.e., by the end of the fall term or second consecutive term of full-time enrollment based on initial date of college enrollment) of enrollment to receive a LIFE Scholarship Enhancement beginning the spring term of the second, third and/or fourth year of college enrollment.

P. The LIFE Scholarship and LIFE Scholarship Enhancement are to be annual awards. Half of the Scholarship and Enhancement funds are to be disbursed in the fall and half are to be disbursed in the spring. Students who change their major from an ineligible degree program to an eligible degree program during the same academic year shall not receive the LIFE Scholarship Enhancement until the beginning of the next academic year (i.e., fall term). Students who change their major from an eligible degree program to an ineligible degree program during the same academic year may continue to receive the LIFE Scholarship Enhancement during the current academic year; however, the student cannot be awarded the LIFE Scholarship Enhancement the next academic year of enrollment in an ineligible degree program.

E. Students who meet the continued eligibility requirements by the end of the spring term and who enroll in Maymester or summer term will not be eligible to receive the LIFE Scholarship Enhancement if their cumulative grade point average falls below the minimum 3.0 "LIFE GPA" requirement by the end of the summer term resulting in ineligibility for a LIFE Scholarship. Students who do not meet the continued eligibility requirements to receive the LIFE Scholarship cannot receive a Scholarship or LIFE Scholarship Enhancement for the following academic year.

F. The student may be eligible to receive the maximum number of terms of eligibility (i.e., six consecutive terms) for a LIFE Scholarship Enhancement starting the second year of college enrollment (based on initial date of college enrollment after high school graduation).

62-1200.20 Terms of Eligibility: LIFE Scholarship and LIFE Scholarship Enhancement

A. The maximum number of terms of eligibility is based on the student's initial college enrollment with the exception of the summer term immediately prior to the student's initial college enrollment and up to one academic year of full-time enrollment in remedial/developmental coursework.

B. Students may receive a LIFE Scholarship for a maximum of two terms for a one-year educational program, four terms for an associate's degree program or at least a two-year program that is acceptable for full credit towards a bachelor's degree, eight terms (or its equivalent) towards the first bachelor's degree or program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree program or ten consecutive terms towards an approved five-year bachelor's degree program. (See chart in "C" below.) In cases where students are enrolled in a program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree, which will be the students' first academic degree awarded, such students must maintain their undergraduate status to be awarded the LIFE Scholarship and the LIFE Scholarship Enhancement each academic term, with the exception of students majoring in the Master's of Science in Physician Assistant Studies Program, the Master's of Science in Cytology and Biosciences Program and the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Medical University of South Carolina. Students who have already been awarded their first bachelor's degree or graduate degree are not eligible to be awarded a

LIFE Scholarship or a LIFE Scholarship Enhancement. Students are eligible to receive the LIFE Scholarship for a maximum of eight consecutive terms (or its equivalent) and a LIFE Scholarship Enhancement for a maximum of six consecutive terms (or its equivalent), as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education.

C. If a student pursues the following program, the terms of eligibility for the LIFE Scholarship will be based upon the student's initial college enrollment:

Degree/Program	Maximum Terms of Eligibility	Average Credit Hours Earned at the End of Each Academic Year				
		1st Year = 30 credit hours	2nd Year = 60 credit hours	3rd Year = 90 credit hours	4th Year = 120 credit hours	Fifth Year = 150 credit hours
		Terms of Remaining Eligibility at the End of Each Academic Year				
One-year Certificate/Diploma	2	0	0	0	0	0
Associate/Two-year Program	4	2	0	0	0	0
Bachelor/First Professional	8	6	4	2	0	0
Approved Five-year Bachelor	10	8	6	4	2	0

D. The maximum number of terms of eligibility for a LIFE Scholarship Enhancement is based on the student's continued eligibility for a LIFE Scholarship and beginning with the student's second year of college enrollment (based on initial date of college enrollment), with the exception of the summer term immediately prior to the student's initial college enrollment and up to one academic year of full-time enrollment in remedial/developmental coursework.

E. Students may receive a LIFE Scholarship Enhancement for a maximum of six consecutive terms (i.e., three academic years) for a first bachelor's degree in an eligible program or an eligible program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree program, and eight consecutive terms (i.e., four academic years) towards an approved five-year bachelor's degree program and six consecutive terms towards a 3 plus 2 program. Students must be enrolled in an eligible four-year public or independent institution in South Carolina as a declared major in an eligible science or mathematics major or an eligible program that is approved and assigned a CIP code by the Commission on Higher Education. In cases where students are enrolled in a program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree, which will be the students' first academic degree awarded, students must maintain their undergraduate status to be awarded the LIFE Scholarship and the LIFE Scholarship Enhancement, with the exception of students declaring a major in the Master's of Science in Physician Assistant Studies Program, the Master's of Science in Cytology and Biosciences Program and the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Medical University of South Carolina. Students who have already been awarded their first bachelor's degree or graduate degree are not eligible to be awarded a LIFE Scholarship or a LIFE Scholarship Enhancement. Students are eligible to receive a LIFE Scholarship for a maximum of eight consecutive terms (or its equivalent) and a LIFE Scholarship Enhancement for a maximum of six consecutive terms (or its equivalent) towards an undergraduate degree, as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education. Students enrolled in an approved five-year degree program may be eligible to receive a LIFE Scholarship for a fifth year of full-time, undergraduate work and a LIFE Scholarship Enhancement for a fourth year of full-time undergraduate coursework.

LIFE Scholarship and LIFE Scholarship Enhancement

A. Students enrolled in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as full-time transfer credit are eligible to receive LIFE Scholarship and LIFE Scholarship Enhancement funds during the period in which the student is enrolled in such programs. LIFE Scholarship and LIFE Scholarship Enhancement funds must be paid directly to the student’s account at the home institution and cannot exceed the cost-of-attendance at the home institution or the cost-of-attendance at the host institution, whichever is less. The Commission on Higher Education will not transfer LIFE Scholarship or LIFE Scholarship Enhancement funds directly to the institution where the student will participate in internships, cooperative work programs, travel study programs or National or International Student

Exchange Programs. The institution is responsible for LIFE Scholarship and LIFE Scholarship Enhancement funds according to the "Policies and Procedures for Awarding" Section.

A. Service members who are enrolled in college and are affected by military mobilizations will not be penalized for the term they are required to withdraw after the full refund period based on the institutional policies and procedures. Institutions are strongly encouraged to provide a full refund of

required tuition, fees and other institutional charges or to provide a credit in a comparable amount against future charges for students who are forced to withdraw as a result of military mobilization. Additionally, the term(s) that the service member is mobilized will not count against the maximum terms of eligibility. The service member shall be allowed to receive the unused terms for the LIFE Scholarship and LIFE Scholarship Enhancement while mobilized during the succeeding summer or at the end of the maximum terms of eligibility based on initial college enrollment (provided the service member meets continued eligibility requirements). The service member must re-enroll in an eligible institution within twelve months upon their demobilization and provide official documentation to verify military deployment to the institutional Financial Aid Office upon re-enrollment to receive LIFE Scholarship and LIFE Scholarship Enhancement. Reinstatement of the LIFE Scholarship and the LIFE Scholarship Enhancement will be based upon the service member's eligibility at the time he/she was mobilized. If the student re-enrolls after the twelve month period, the service member must submit an Appeal Application to the Commission on Higher Education by the established deadline in order to be considered for reinstatement.

B. Service members who are enrolled in college and are mobilized for an entire academic year may renew the LIFE Scholarship and the LIFE Scholarship Enhancement for the next academic year, if they met the eligibility requirements at the end of the prior academic year. Service members who did not use the LIFE Scholarship and LIFE Scholarship Enhancement funds/terms of eligibility during this period due to military mobilization shall be allowed to receive the LIFE Scholarship and LIFE Scholarship Enhancement funds during the succeeding summer or at the end of the maximum terms of eligibility based on initial college enrollment (provided the service member meets continued eligibility requirements).

For service members who enroll in summer school and one other term of the academic year, the service member must earn a total of twenty-seven credit hours (or its equivalent) for the academic year. In order to maintain eligibility for the next academic year for service members who only attend summer school, the member must earn twelve credit hours during the academic year. The service member must meet all eligibility requirements as specified in the "Student Eligibility" and "Continued Eligibility" Sections for the LIFE Scholarship and LIFE Scholarship Enhancement, except for the completion of the thirty credit hour requirement for the academic year.

E. The home institution will be responsible for receiving verification of military mobilization status, "LIFE GPA," credit hours earned and terms of eligibility based on the service member's initial college enrollment and eligibility for LIFE Scholarship and LIFE Scholarship Enhancement renewal for the next academic year.

F. Service members of the United States Armed Forces will not be penalized for any credit hours earned while on military mobilization. The credit hours earned will not count against the terms of

eligibility, but will be used toward the annual credit hour requirement for the LIFE Scholarship and towards the minimum fourteen credit hour course level requirement for the LIFE Scholarship Enhancement.

62-1200.50 LIFE Scholarship Refunds and Repayments

A. In the event a student who has been awarded a LIFE Scholarship and LIFE Scholarship Enhancement withdraws, is suspended from the institution, or drops below full-time enrollment status during any term of the academic year, institutions must reimburse the LIFE Scholarship Program for the amount of the LIFE Scholarship and LIFE Scholarship Enhancement for the term in question pursuant to the refund policies of the institution. Collection is the responsibility of the institution.

B. In the event a student withdraws or drops below full-time status after the institution's refund period and therefore must pay tuition and fees for full-time enrollment, the LIFE Scholarship and LIFE Scholarship Enhancement may be retained pursuant to the refund policies of the institution.

62-1200.55 Appeals Procedures: LIFE Scholarship and LIFE Scholarship Enhancement

A. The Commission on Higher Education shall define the appeals procedures.

B. Students who did not meet the continued eligibility requirements for the LIFE Scholarship at the end of the academic year due to an extenuating circumstance may request an appeal with the Commission on Higher Education.

C. The Commission on Higher Education will allow a student to submit only one appeal each academic year based on an extenuating circumstance.

D. A completed appeal's application must be filed with the Commission on Higher Education by the established deadline of the academic year the scholarship is requested. The student must provide a completed application for appeal, a letter requesting an appeal describing the extenuating circumstance, official transcripts from all prior institutions, and any other supporting documentation to substantiate the basis for the appeal. Failure to submit an appeal by the required deadline(s) will result in forfeiture of the scholarship.

E. The LIFE Scholarship shall be suspended during the appeal period, but will be awarded retroactively if the appeal is granted.

F. Appeal Guidelines apply only to the LIFE Scholarship, not the LIFE Scholarship Enhancement. Students cannot appeal solely on the basis of a loss of a LIFE Scholarship Enhancement. However, students who appeal and are awarded the LIFE Scholarship under this section may be eligible to receive the LIFE Scholarship Enhancement.

G. The Appeals Committee's decision is final.

**62-1200.60 Institutional Policies and Procedures for Awarding:
LIFE Scholarship and LIFE Scholarship Enhancement**

A. All eligible institutions are responsible for ensuring that each student has met the criteria based on state law and regulation to determine eligibility for the LIFE Scholarship and the LIFE Scholarship Enhancement as stipulated in Section 62-1200.10 and Section 62-1200.15.

B. Each institution is responsible for reviewing all students based on the "LIFE GPA" calculation below to determine eligibility for the LIFE Scholarship. Institutions must use official transcripts from all eligible institutions for each student and the steps in Section E below.

C. The institution must use grades earned at all eligible institutions during any term (fall, spring, and/or summer) for calculating a "LIFE GPA" at the end of the academic year.

D. The student must certify by submitting a signed affidavit that he/she is responsible for submitting transcripts from all previous and current eligible institutions. Students who complete coursework at another institution at anytime during the academic year (fall, spring, summer) must submit an official transcript to the home institution at the end of the academic year to determine eligibility for the LIFE Scholarship.

E. Steps for calculating a "LIFE GPA:"

1) Convert all grades earned at an eligible institution to a 4.0 scale based on each institution's grading policy where the grades were earned = Grade Points

2) Multiply the grade points by attempted credit hours = Quality Points (QP)

3) Divide the total quality points by the total number of attempted credit hours = LIFE GPA

4) "LIFE GPA" Formula:
$$\frac{\text{Grade Points X Attempted Credited Hours} = \text{QP}}{\text{Total Attempted Credit Hours}} = \text{LIFE GPA}$$

F. The "LIFE GPA" must include all grades earned at eligible institutions, including courses that do not transfer based on the institution's policy and college courses taken while in high school.

G. The "LIFE GPA" must not include attempted credit hours earned for continuing education courses, non-degree credit courses for an associate's degree or higher and remedial/developmental courses.

H. The student must meet the annual credit hour requirement at the end of the academic year based on initial college enrollment as defined in the "Continued Eligibility," "Regaining or Earning Eligibility" or "Transfer Students" Sections.

I. LIFE Scholarship awards are to be used only for payment toward the cost-of-attendance as established by Title IV Regulations. Eligible four-year public and independent institutions shall identify award amounts up to the cost-of-tuition for thirty credit hours, not to exceed four thousand seven hundred dollars, plus a three hundred dollar book allowance (maximum \$5,000 including cost-of-tuition plus book allowance) per academic year. Eligible two-year public or technical institutions shall identify award amounts, which cannot exceed the cost-of-tuition for thirty credit hours plus a three hundred dollar book allowance (maximum \$5,000 including cost-of-tuition plus book allowance) per academic year. For students enrolled at eligible two-year independent institutions, the

award amount shall not exceed the maximum cost-of-tuition at the two-year USC regional institutions plus a three hundred dollar book allowance (not to exceed a maximum award amount of \$5,000 including cost-of-tuition plus book allowance) per academic year. Half shall be awarded during the fall term and half during the spring term (or its equivalent), assuming continued eligibility. The LIFE Scholarship in combination with all other gift aid, including Federal, State, private and institutional funds, shall not exceed the cost-of-attendance as defined in Title IV regulations for any academic year.

J. The LIFE Scholarship Enhancement is an annual award. Half of the funds are to be disbursed in the fall term and half to be disbursed in the spring term. Students who change their major from an ineligible degree program to an eligible degree program during the same academic year shall not receive the LIFE Scholarship Enhancement until the beginning of the next academic year (i.e., fall term). Students who change their major from an eligible degree program to an ineligible degree program during the same academic year may continue to receive the LIFE Scholarship Enhancement during the current academic year; however, the student cannot be awarded the LIFE Scholarship Enhancement the next academic year of enrollment in an ineligible degree program.

K. The institution shall specify exact LIFE Scholarship Enhancement amounts to be used only for payment toward the cost-of-attendance as established by Title IV Regulations at eligible four-year public and independent institutions in South Carolina. The annual LIFE Scholarship Enhancement award amount shall not exceed \$2,500.00 per academic year for no more than three years of instruction if enrolled in an eligible four-year degree program or for not more than four years of instruction if enrolled in an eligible approved five-year degree program. Students enrolled in an eligible 3 plus 2 program shall receive a LIFE Scholarship for no more than four years of instruction and a LIFE Scholarship Enhancement for no more than three years of instruction. Half of the LIFE Scholarship Enhancement funds shall be awarded in the fall term and half during the spring term (or its equivalent), assuming continued eligibility. The LIFE Scholarship Enhancement in combination with all other gift aid, including Federal, State, private and institutional funds, shall not exceed the cost-of-attendance as defined in Title IV Regulations for any academic year.

L. In determining the amount awarded for the LIFE Scholarship Enhancement, all other sources of gift aid, including federal, State, private and institutional funds and the base LIFE Scholarship must be applied to the unmet total cost of attendance in accord with Title IV Regulations before calculating the LIFE Scholarship Enhancement amount and receiving the funds. Adjustments to the financial aid package will be made to the LIFE Scholarship Enhancement in accordance with prescribed Title IV Regulations in order to prevent an over award.

M. Students who have already been awarded a first bachelor's degree or graduate degree are not eligible to receive a LIFE Scholarship or a LIFE Scholarship Enhancement. Students enrolled in a program of study that is structured so as not to require a bachelor's degree and leads to a graduate degree as defined in the "Program Definitions" Section must maintain their undergraduate status in order to receive a LIFE Scholarship and a LIFE Scholarship Enhancement each academic term, with the exception of students majoring in the Master's of Science in Physician Assistant Studies Program, Master's of Science in Cytology and Biosciences Program and the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Medical University of South Carolina.

N. Eligible institutions shall provide an award notification to eligible students that contains the terms and conditions of the LIFE Scholarship and the LIFE Scholarship Enhancement. Institutions will notify students and the SC Commission on Higher Education of any adjustments in LIFE Scholarship and LIFE Scholarship Enhancement funds that may result from an over award, change in eligibility, change in the student's residency or change in financial status or other matters.

O. The institution must retain annual paper or electronic documentation for each LIFE Scholarship and LIFE Scholarship Enhancement award to include at a minimum:

1. Award notification
2. Institutional disbursement to student
3. Student's residency status
4. Refunds and repayments (if appropriate)
5. Enrollment and curriculum requirements
6. Verification of a 3.0 "LIFE GPA" and the required number of annual credit hours based on initial college enrollment
7. Affidavit documenting that the student: a) has never been convicted of any felonies and/or a second or subsequent alcohol/ drug-related misdemeanor offenses within the past academic year; b) understands that non-degree credit hours will not be used in calculating the "LIFE GPA" or credit hour requirements if they are enrolled in an associate's degree or higher; and c) must certify that they have submitted transcripts from all previous and current institutions attended
8. Institutional Student Information Record (ISIR) or affidavit documenting that the student is not in default or does not owe a refund or repayment on any state or federal financial aid
9. High school transcript(s) verifying graduation or home school completion date, grade point averages and class ranks (first-time entering freshmen) or GED or Adult Education High School Diploma,
10. SAT or ACT scores (first-time entering freshmen)
11. Verification of student's disability from Institutional Disability Service Provider and verification of reduced course-load requirement (if appropriate)
12. Military mobilization orders (if appropriate)
13. Beginning with the 2007-08 freshman class and thereafter, all institutions must retain documentation verifying that students met the minimum fourteen credit hour course level requirement by the end of the first year of college enrollment for the LIFE Scholarship Enhancement.

P. It is the institution's responsibility to ensure that only eligible students receive a LIFE Scholarship and LIFE Scholarship Enhancement award.

Q. Any student who has attempted to obtain or has obtained a LIFE Scholarship and a LIFE Scholarship Enhancement award through means of a willfully false statement or failure to reveal any material fact, condition, or circumstances affecting eligibility will be subject to applicable civil or criminal penalties, including loss of the LIFE Scholarship and the LIFE Scholarship Enhancement.

62-1200.65 Institutional Disbursements: LIFE Scholarship and LIFE Scholarship Enhancement

A. Eligible four-year public and independent institutions shall award LIFE Scholarship amounts, which cannot exceed the cost-of-tuition for thirty credit hours a year, not to exceed four thousand seven hundred dollars, plus a three hundred dollar book allowance (maximum \$5,000 including cost-of-tuition plus book allowance) per academic year. Eligible two-year public or technical institutions shall award LIFE Scholarship amounts, which cannot exceed the cost-of-tuition for thirty credit hours plus a three hundred dollar book allowance (not to exceed a maximum award amount of \$5,000 including cost-of-tuition plus book allowance) per academic year. For students enrolled at eligible two-year independent institutions, the award amount for a LIFE Scholarship shall not exceed the maximum cost-of-tuition at the two-year USC regional institutions plus a three hundred dollar book

allowance (not to exceed a maximum award amount of \$5,000 including cost-of-tuition plus book allowance) **per academic year. Half of the LIFE Scholarship shall be awarded during the fall term and half during the spring term (or its equivalent), assuming continued eligibility. LIFE Scholarship funds cannot be disbursed during the summer or any interim sessions with the exception to disbursements that meet the requisites under the "Enrollment in Internships, Cooperative Work Programs, Travel Study Programs and National and International Student Exchange Programs" or "Military Mobilization" Sections. The LIFE Scholarship in combination with all other gift aid, including Federal, State, private and institutional funds, shall not exceed the cost-of-attendance as defined in Title IV regulations for any academic year.**

B. Eligible four-year public and independent institutions only shall award LIFE Scholarship Enhancement amounts, which cannot exceed the cost-of-attendance for thirty credit hours a year, not to exceed \$2,500 per academic year. The LIFE Scholarship Enhancement cannot be disbursed during the summer or any interim sessions with the exception of disbursements that meet the requisites under the "Enrollment in Internships, Cooperative Work Programs, Travel Study Programs and National and International Student Exchange Programs" or "Military Mobilization" Sections. The LIFE Scholarship Enhancement in combination with all other gift aid, including Federal, State, private and institutional funds, shall not exceed the cost-of-attendance as defined in Title IV Regulations for any academic year.

C. **The LIFE Scholarship and the LIFE Scholarship Enhancement may not be applied to a second bachelor's degree or a graduate degree program as defined in the "Program Definitions" Section. In the event of early graduation, the LIFE Scholarship and LIFE Scholarship Enhancement awards are discontinued.** Students are eligible to receive the LIFE Scholarship for a maximum of eight consecutive terms (or its equivalent) and a LIFE Scholarship Enhancement for a maximum of six consecutive terms (or its equivalent) towards an undergraduate degree, as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education. In such cases where students are enrolled in a program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree, which will be the students' first academic degree awarded, such students must maintain their undergraduate status to be awarded the LIFE Scholarship and the LIFE Scholarship Enhancement, with the exception of students majoring in the Master's of Science in Physician Assistant Studies Program, the Master's of Science in Cytology and Biosciences Program and the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Medical University of South Carolina. Students who have already been awarded their first bachelor's degree or graduate degree are not eligible to be awarded a LIFE Scholarship or a LIFE Scholarship Enhancement. Students enrolled in an approved five-year degree program may be eligible to receive a LIFE Scholarship for a fifth year of full-time, undergraduate work and a LIFE Scholarship Enhancement for a fourth year of full-time undergraduate coursework.

D. In determining the amount awarded for the LIFE Scholarship Enhancement, all other sources of gift aid, including federal, State, private and institutional funds and the base LIFE Scholarship, must be applied to the unmet total cost-of-attendance in accord with Title IV Regulations before calculating the LIFE Scholarship Enhancement amount and receiving the funds. Adjustments to the financial aid package will be made to the base LIFE Scholarship and LIFE Scholarship Enhancement in accordance with prescribed Title IV Regulations in order to prevent an over award.

E. **After the last day to register for each term of the academic year, the institution will verify enrollment of each recipient as a South Carolina resident who is a full-time, degree-seeking student. The institution must submit a request for LIFE Scholarship and LIFE Scholarship Enhancement funds and/or return of funds by the established deadline each term. In addition, a listing of all eligible recipients by identification numbers with award amounts for the term must be sent to the Commission**

on Higher Education. At this time any unused funds must be returned to the Commission on Higher Education immediately.

F. The Commission will disburse LIFE Scholarship and LIFE Scholarship Enhancement awards to the eligible institutions to be placed in each eligible student's account.

G. The student must be enrolled at the time of disbursement of LIFE Scholarship and LIFE Scholarship Enhancement funds as a full-time student at the home institution, and meet all requirements as established in the "Student Eligibility" Section for a LIFE Scholarship and the a LIFE Scholarship Enhancement. Students who are retroactively awarded must have been enrolled in a minimum of twelve credit hours (full-time) as a declared major in an eligible program under Section 62-1200.10 at the home institution at the time the LIFE Scholarship and LIFE Scholarship Enhancement would have been disbursed for that term.

H. The LIFE Scholarship and LIFE Scholarship Enhancement are to be annual awards. Half of the funds are to be disbursed in the fall term and half to be disbursed in the spring term. Students who change their major from an ineligible degree program to an eligible degree program during the same academic year shall not receive the LIFE Scholarship Enhancement until the beginning of the next academic year (i.e., fall term). Students who change their major from an eligible degree program to an ineligible degree program during the same academic year may continue to receive the LIFE Scholarship Enhancement during the current academic year; however, the student cannot be awarded the LIFE Scholarship Enhancement the next academic year of enrollment in an ineligible degree program.

62-1200.70 Program Administration and Audits: LIFE Scholarship and LIFE Scholarship Enhancement

A. The South Carolina Commission on Higher Education shall be responsible for the oversight of functions (e.g., guidelines, policies, rules, regulation) relative to this program with participating institutions. The Commission on Higher Education shall be responsible for the allocation of funds, promulgation of guidelines and regulation governing the LIFE Scholarship Program, any audits or other oversight as may be deemed necessary to monitor the expenditures of scholarship funds.

B. According to the Audit Policies and Procedures for Scholarship and Grant Programs Manual, all eligible institutions that participate in the program must abide by program policies, rules or regulation. Institutions also agree to maintain and provide all pertinent information, records, reports or any information as may be required or requested by the Commission on Higher Education or the General Assembly to ensure proper administration of the program.

C. The Chief Executive Officer at each participating institution shall identify to the Commission on Higher Education a LIFE Scholarship institutional representative who is responsible for the operation of the program on the campus and will serve as the contact person. The institutional representative will act as the student's fiscal agent to receive and deliver funds for use under the program.

62-1200.75 Suspension or Termination of Institutional Participation: LIFE Scholarship and LIFE Scholarship Enhancement

A. The Commission may review institutional administrative practices to determine institutional

compliance with pertinent statutes, guidelines, rules or regulations. If such a review determines that an institution has failed to comply with Program statutes, guidelines, rules or regulations, the Commission may suspend, terminate, or place certain conditions upon the institution's continued participation in the Program and require reimbursement to the LIFE Scholarship Program for any LIFE Scholarship or LIFE Scholarship Enhancement funds lost or improperly awarded.

B. Upon receipt of evidence that an institution has failed to comply, the Commission on Higher Education shall notify the institution in writing of the nature of such allegations and conduct an audit.

C. If an audit indicates that a violation or violations may have occurred or are occurring at any eligible public or independent institution, the Commission on Higher Education shall secure immediate reimbursement from the institution in the event that any funds were expended out of compliance with the provisions of the Act, any relevant statutes, guidelines, rules, and regulations.

Statement of Rationale: LIFE Scholarship Enhancement Regulation is required by Section 59-149-30 and 59-149-15(B) of Act 115 of 2007 in implementing the legislation.

62-900.85–140 South Carolina HOPE Scholarship

Synopsis:

The Commission on Higher Education proposes to amend and replace in its entirety R.62-900 of the SC HOPE Scholarship Program. Revisions to the existing regulation for the SC HOPE Scholarship Program are being considered to clarify the policies and procedures for administering the program. The proposed amendment will make the Scholarship regulation consistent with recently approved legislation, Act #103 approved during the 2007 legislative session: SC HOPE recipients who are convicted or pled guilty or nolo contendere of their second or subsequent alcohol related offense would lose their SC HOPE Scholarship if convicted or pled guilty or nolo contendere before the year begins, and lose their LIFE Scholarship for the following year if they have already received SC HOPE funds for the academic year in which they were convicted. There are also additional clarifications being proposed such as adding definitions and minor grammatical changes to promote consistency among the State scholarship and grant programs. The proposed regulation for the SC HOPE Scholarship Program was published in the *State Register* on October ____, 2007. The Commission on Higher Education conducted a public hearing on December ____, 2007.

2. Be a South Carolina resident for in-state purposes at the time of high school graduation and at the time of enrollment at the institution, as set forth by Section 59-112-10 and be either a member of a class graduating from a high school located in this State, a home school student who has successfully completed a high school home school program in this State in the manner required by law, or a student graduating from a preparatory high school outside this State, while a dependent of a parent or guardian who is a legal resident of this State and has custody of the dependent according to State Statute, Section 59-149-50A;

Institutions shall use the final cumulative GPA as reported by the high school on the official high school transcript;
4. Be admitted, enrolled full-time, and classified as a degree-seeking undergraduate student in an eligible institution in South Carolina;
5. Certify that he/she has never been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* to any felonies and/or any second or subsequent alcohol/drug related misdemeanor offenses under the laws of this or any other state or under the laws of the United States by submitting a signed affidavit each academic year to the institution testifying to the fact. However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* of a second alcohol or other drug related misdemeanor offense is ~~only~~ ineligible for the next academic year of enrollment at an eligible institution after the date of the adjudication, conviction or plea. If the adjudication, conviction, or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student is still eligible for the Scholarship for the remainder of the academic year. However, the student will not be eligible to receive the LIFE Scholarship the following fall, spring, and summer terms (or their equivalent), even if all other eligibility requirements have been met. Any fees and requirements associated with the conversion are the responsibility of the student. These students must meet all other eligibility criteria, including SC residency requirements.

B. Any credit hours attempted or earned before high school graduation, hours exempted by examination, or Advanced Placement (AP) credit hours do not count against the terms of eligibility.

G. Students receiving a SC HOPE Scholarship are not eligible for a LIFE Scholarship, Palmetto Fellows Scholarship or Lottery Tuition Assistance.

H. Students who meet all eligibility requirements for the SC HOPE Scholarship are eligible to receive Scholarship funds for the freshman year of attendance only.

I. All documents required for determining SC HOPE Scholarship eligibility must be submitted to the institution by their established deadline(s). Students must submit official transcripts from all previous and current institutions, which provide evidence to determine initial college enrollment.

62-900.100 Duration of Award

A. Students are eligible to receive the SC HOPE Scholarship for no more than two terms (or its equivalent) during the freshman year of attendance only.

B. The maximum number of terms of eligibility is based on the student's initial college enrollment with the exception of credit hours earned during the summer session immediately prior to the student's initial college enrollment.

C. If a student enrolls mid-year (spring term) and receives the SC HOPE Scholarship during that term, then qualifies to receive the LIFE Scholarship at the end of the summer term, the student will not be eligible to receive the SC HOPE Scholarship for the next term. If the student does not meet the requirements to qualify for the LIFE Scholarship, then the student may receive the SC HOPE Scholarship the next term of eligibility.

62-900.105 Transfer Students

A. A student who transfers from one institution to an eligible institution during the freshman year of attendance is eligible to receive the SC HOPE Scholarship if the student met the eligibility requirements as stated in the "Student Eligibility" Section at the beginning of the academic year.

B. A student who transfers from a two-year or technical institution to an eligible four-year institution who enrolled in remedial courses during the freshman year may be eligible to receive the SC HOPE Scholarship. The terms of eligibility to receive Scholarship funds must not include the period of time the student was enrolled in remedial courses at a two-year or technical institution, unless the student completed at least twelve credit hours of non-remedial course work each term of enrollment during the freshman year. 62-900.111 Military Mobilization

A. Service members who are enrolled in college and are affected by military mobilizations will not be penalized for the term(s) they are required to withdraw after the full refund period based on the institutional policies and procedures. Institutions are strongly encouraged to provide a full refund of required tuition, fees and other institutional charges or to provide a credit in a comparable amount against future charges for students who are forced to withdraw as a result of military mobilization. Additionally, the term(s) that the service member is mobilized will not count against the maximum terms of eligibility. The service member shall be allowed to receive the unused term(s) while mobilized during the succeeding summer term or at the end of the maximum terms of eligibility based on initial college enrollment. The service member must re-enroll in an eligible institution within twelve months upon their demobilization and provide official documentation to verify military deployment to the institutional Financial Aid Office upon re-enrollment. Reinstatement will be based upon the service member's eligibility at the time he/she was mobilized. If the service member re-enrolls after the twelve month period, the service member must submit an Appeal Application to the Commission on Higher Education by the established deadline in order to be considered for reinstatement.

B. Service members who are enrolled in college and are mobilized for an entire academic year may receive the Scholarship for the next academic year, if they met the "Student Eligibility" requirements at the time of high school graduation. Service members who did not use the SC HOPE Scholarship funds/terms of eligibility during this period due to military mobilization shall be allowed to receive Scholarship funds during the succeeding summer term and/or at the end of the maximum terms of eligibility based on initial college enrollment.

C. Service members who are enrolled in college and are mobilized for one academic term and did not use SC HOPE Scholarship funds/terms of eligibility during this period shall be allowed to receive one term of Scholarship funds during the succeeding summer or one term at the end of the maximum terms of eligibility based on initial college enrollment.

D. In order to receive the SC HOPE Scholarship for summer school for the unused term(s), the service member must enroll in twelve credit hours during the succeeding summer term at the home institution.

E. The home institution will be responsible for receiving verification of military mobilization status and terms of eligibility based on the service member's initial college enrollment.

F. Service members of the United States Armed Forces will not be penalized for any credit hours earned while on military mobilization. The credit hours will not count against their terms of eligibility.

62-900.115 Refunds or Repayments

A. In the event a student who has been awarded a SC HOPE Scholarship withdraws, is suspended from the institution, or drops below full-time enrollment status during any term of the academic year, institutions must reimburse the SC HOPE Scholarship Program for the amount of the Scholarship for the term(s) in question pursuant to the refund policies of the institution. Collection is the responsibility of the institution.

B. In the event a student withdraws or drops below full-time status after the institution's refund period and therefore must pay tuition and fees for full-time enrollment, the Scholarship may be retained pursuant to the refund policies of the institution.

62-900.120 Appeals Procedures

B. The participating institution will make awards in amounts to be defined in accordance with the Need-based Grants Program regulation and criteria, but not to exceed \$1,250 per eligible part-time student and \$2,500 per eligible full-time student per academic year, based on the institution's allocated funds for Need-based Grants and other financial aid awarded to individual applicants. However, the Commission, due to inflation increases or other relevant factors, may periodically adjust the maximum award for the Need-based Grants Program. ~~Half of the grant shall be disbursed during the fall semester and half disbursed during the spring semester~~ A maximum of fifty percent of the grant shall be disbursed for two terms of the academic year, assuming continued eligibility.

C. The Need-based Grant shall be awarded only after all other sources of gift aid have been exhausted. Adjustments to the financial aid package will be made to the Need-based Grant in accordance with prescribed Title IV Regulations in order to prevent an over-award.

Institutions must give first priority and award the maximum allowable Need-based Grant (\$2,500 if full-time or \$1,250 if part-time) to students who are in the custody of the South Carolina Department of Social Services (DSS). However, institutions should not award the maximum amount if, by doing so, this causes the student to exceed the unmet need according to Title IV Regulations. Students who may be eligible under this provision are responsible for contacting the institution and providing official verification to the institution that he/she is in custody of DSS. Acceptable verification shall include a letter from DSS.

G. Participating institutions will notify students of their Need-based Grant along with the terms and conditions of the award.

H. The percentage will be based on the previous year's total as determined by the Commission on Higher Education. Unused funds, which cannot be awarded by an institution, must be returned to the Commission on Higher Education, which may redirect the funds to institutions where unmet need exists.

I. The institution must retain annual paper or electronic documentation for each award to include at a minimum:

62-600. Rates of Tuition and Fees.

A. Resident classification is an essential part of tuition and fee determination, admission regulations, scholarship eligibility, and other relevant policies of the state. It is important that institutions have fair and equitable regulations that can be administered consistently and are sensitive to the interests of both students and the state. The Commission on Higher Education hereby establishes regulations for the Statute Governing Residency for Tuition and Fee Purposes to be applied consistently by all South Carolina institutions of higher education. These regulations do not address residency matters relating to in county categories used within the State's technical colleges.

B. Institutions of higher education are required by the Statute to determine the residence classification of applicants. The initial determination of one's resident status is made at the time of admission. The determination made at that time, and any determination made thereafter, prevails for each subsequent

semester until information becomes available that would impact the existing residency status and the determination is successfully challenged. The burden of proof rests with the students to show evidence as deemed necessary to establish and maintain their residency status.

62-601. Code of Laws Governing Residence.

A. Rules regarding the establishment of legal residence for tuition and fee purposes for institutions of higher education are governed by Title 59, Chapter 112 of the 1976 South Carolina Code of Laws, as amended.

62-603. Citizens and Permanent Residents.

A. Independent persons who have physically resided and been domiciled in South Carolina for twelve continuous months immediately preceding the date the classes begin for the semester for which resident status is claimed may qualify to pay in state tuition and fees. The twelve month residency period starts when the independent person establishes the intent to become a South Carolina resident per Section 62-605 entitled "Establishing the Requisite Intent to Become a South Carolina Domiciliary." Absences from the State during the twelve month period may affect the establishment of permanent residence for tuition and fee purposes.

B. The resident status of a dependent person is based on the resident status of the person who provides more than half of the dependent person's support and claims or qualifies to claim the dependent person as a dependent for federal income tax purposes. Thus, the residence and domicile of a dependent person shall be presumed to be that of their parent, spouse, or guardian.

62-604. Non Resident Aliens, Non Citizens, and Non Permanent Residents.

A. Except as otherwise specified in this section or as provided in Section 62-609 (1) & (2), independent non citizens and non permanent residents of the United States will be assessed tuition and fees at the non resident, out of state rate. Independent non resident aliens, including refugees, asylees, and parolees may be entitled to resident, in state classification once they have been awarded permanent resident status by the U.S. Department of Justice and meet all the statutory residency requirements provided that all other domiciliary requirements are met. Time spent living in South Carolina immediately prior to the awarding of permanent resident status does not count toward the twelve month residency period. Certain non resident aliens present in the United States in specified visa classifications are eligible to receive in state residency status for tuition and fee purposes as prescribed by the Commission on Higher Education. They are not, however, eligible to receive state sponsored tuition assistance/scholarships.

B. Title 8 of the Code of Federal Regulations (CFR) serves as the primary resource for defining visa categories.

62-605. Establishing the Requisite Intent to Become a South Carolina Domiciliary.

A. Resident status may not be acquired by an applicant or student while residing in South Carolina for the sole purpose of enrollment in an institution or for access to state supported programs designed to serve South Carolina residents.

B. If a person asserts that his/her domicile has been established in this State, the individual has the burden of proof. Such persons should provide to the designated residency official of the institution to which they are applying any and all evidence the person believes satisfies the burden of proof. The residency official will consider any and all evidence provided concerning such claim of domicile, but will not necessarily regard any single item of evidence as conclusive evidence that domicile has been established.

C. For independent persons or the parent, spouse, or guardian of dependent persons, examples of intent to become a South Carolina resident may include, although any single indicator may not be conclusive, the following indicia:

1. Statement of full time employment;
2. ~~Possession of a valid South Carolina voter registration card;~~
2. Designating South Carolina as state of legal residence on military record;
3. Possession of a valid South Carolina driver's license, or if a non driver, a South Carolina identification card. Failure to obtain this within 90 days of the establishment of the intent to become a South Carolina resident will delay the beginning date of residency eligibility;
4. Possession of a valid South Carolina vehicle registration card. Failure to obtain this within 45 days of the establishment of the intent to become a South Carolina resident will delay the beginning date of residency eligibility;
5. Maintenance of domicile in South Carolina;
6. Paying South Carolina income taxes as a resident during the past tax year, including income earned outside of South Carolina from the date South Carolina domicile was claimed;
7. Ownership of principal residence in South Carolina; and
8. Licensing for professional practice (if applicable) in South Carolina.

D. The absence of indicia in other states or countries is required before the student is eligible to pay in state rates.

62-606. Maintaining Residence.

A. A person's temporary absence from the State does not necessarily constitute loss of South Carolina residence unless the person has acted inconsistently with the claim of continued South Carolina residence during the person's absence from the State. The burden is on the person to show retention of South Carolina residence during the person's absence from the State. Steps a person should take to retain South Carolina resident status for tuition and fee purposes include:

1. Continuing to use a South Carolina permanent address on all records;
2. ~~Retaining South Carolina voter's status;~~
3. 3. Maintaining South Carolina driver's license;
3. 4. Maintaining South Carolina vehicle registration;
4. 5. Satisfying South Carolina resident income tax obligation. Individuals claiming permanent residence in South Carolina are liable for payment of income taxes on their total income from the date that they established South Carolina residence. This includes income earned in another state or country.

B. Active duty members of the United States Armed Forces and their dependents are eligible to pay in state tuition and fees as long as they continuously claim South Carolina as their state of legal residence during their military service. Documentation will be required in all cases to support this claim. South Carolina residents who change their state of legal residence while in the military lose their South Carolina resident status for tuition and fee purposes.

62-607. Effect of Change of Residency.

A. Notwithstanding other provisions of this section, any dependent person of a legal resident of this state who has been domiciled with his/her family in South Carolina for a period of not less than three years and whose family's domicile in this state is terminated immediately prior to his/her enrollment may enroll at the in state rate. Any dependent person of a legal resident of this state who has been domiciled with his/her family in South Carolina for a period of not less than three years and whose family's domicile in this state is terminated after his/her enrollment may continue to receive in state rates, however, a student must continue to be enrolled and registered for classes (excluding summers) in order to maintain eligibility to pay in state rates in subsequent semesters. Transfers within or between South Carolina colleges and universities of a student seeking a certificate, diploma, associate, baccalaureate, or graduate level degree does not constitute a break in enrollment.

B. If a dependent or independent person has been domiciled in South Carolina for less than three years, eligibility for in state rates shall end on the last day of the academic session during which domicile is lost. Application of this provision shall be at the discretion of the institution involved. However, a student must continue to be enrolled and registered for classes (excluding summers) in order to maintain eligibility to pay in state rates in subsequent semesters.

62-608. Effect of Marriage.

A. In ascertaining domicile of a married person, irrespective of gender, such a review shall be determined just as for an unmarried person by reference to all relevant evidence of domiciliary intent.

B. If a non resident marries a South Carolina resident, the non resident does not automatically acquire South Carolina resident status. The non resident may acquire South Carolina resident status if the South Carolina resident is an independent person and the non resident is a dependent of the South Carolina resident.

C. Marriage to a person domiciled outside South Carolina shall not be solely the reason for precluding a person from establishing or maintaining domicile in South Carolina and subsequently becoming eligible or continuing to be eligible for residency.

D. No person shall be deemed solely by reason of marriage to a person domiciled in South Carolina to have established or maintained domicile in South Carolina and consequently to be eligible for or to retain eligibility for South Carolina residency.

62-609. Exceptions.

A. Persons in the following categories qualify to pay in state tuition and fees without having to establish a permanent home in the state for twelve months. Persons who qualify under any of these categories must meet the conditions of the specific category on or before the first day of class of the term for which payment of in state tuition and fees is requested. The following categories apply only to in state tuition and do not apply to State supported scholarships and grants. Individuals who qualify for in state tuition

Such persons (and their dependents) may also be eligible to pay in state tuition and fees as long as they are continuously enrolled ~~for a period of twelve months~~ after their discharge from the military, provided they have demonstrated an intent to establish a permanent home in South Carolina and they have resided in South Carolina for a period of at least twelve months immediately preceding their discharge. Steps an independent person must take to establish residency in South Carolina are listed in Section 62-605 entitled ("Establishing the Requisite Intent to Become a South Carolina Domiciliary").

4. "Retired Persons and their Dependents:" Retired persons who are receiving a pension or annuity who reside in South Carolina and have been domiciled in South Carolina as prescribed in the Statute for less than a year may be eligible for in state rates if they maintain residence and domicile in this State. Persons on terminal leave who have established residency in South Carolina may be eligible for in state rates even if domiciled in the State for less than one year if they present documentary evidence from their employer showing they are on terminal leave. The evidence should show beginning and ending dates for the terminal leave period and that the person will receive a pension or annuity when he/she retires.

B. South Carolina residents who wish to participate in the Contract for Services program sponsored by the Southern Regional Education Board must have continuously resided in the State for other than educational purposes for at least two years immediately preceding application for consideration and must meet all other residency requirements during this two year period.

A. Persons applying for a change of resident classification must complete a residency application/petition and provide supporting documentation prior to a reclassification deadline as established by the institution.

B. The burden of proof rests with those persons applying for a change of resident classification who must show required evidence to document the change in resident status.

62-611. Incorrect classification.

A. Persons incorrectly classified as residents are subject to reclassification and to payment of all non resident tuition and fees not paid. If incorrect classification results from false or concealed facts, such persons may be charged tuition and fees past due and unpaid at the out of state rate. The violator may also be subject to administrative, civil, and financial penalties. Until these charges are paid, such persons will not be allowed to receive transcripts or graduate from a South Carolina institution.

B. Residents whose resident status changes are responsible for notifying the Residency Official of the institution attended of such changes.

62-612. Inquiries and Appeals.

A. Inquiries regarding residency requirements and determinations should be directed to the institutional residency official.

B. Each institution will develop an appeals process to accommodate persons wishing to appeal residency determinations made by the institution's residency official. Each institutions appeal process should be directed by that institutions primary residency officer, in conjunction with those individuals who practice the application of State residency regulations on a daily basis. The professional judgment of the residency officer and administrators will constitute the institutional appeal process. Neither the primary residency official nor appellate official(s) may waive the provisions of the Statute or regulation governing residency for tuition and fee purposes.

Fiscal Impact Statement:

There will be no additional cost to the State or to the public or private colleges and universities of South Carolina associated with administering this revised regulation.
