Dear Governor,

My name is Wyatt Lytle. I'm in a private school and we are doing a project where each one of us pick 6-7 states and write a letter to the governor asking about that state. And I picked your state. So I have a few questions for you about the state that you are in, like:

- What is your state flag, and the story of how it came to be
- When did your state declare their statehood
- Important events, holidays, famous people, saying?
- Do you have a State song
- What is the population there
- What is the terrain like there
- What's the crime rate like there
- What are the top places to visit there
- How many counties are there
- Do you have any agriculture products
- How are the voting districts decided
- What's a common food there
- What are the most popular outdoor activities that are done there
- What's the climate like
- Do you have any historical sites
- What is your state symbol

And can I have your signature please and thank you.

Sincerely,

Wyatt Lytle
