Katherine,

See attached business schedule that we've been working on for Raman's visit. Let me know if you have questions. As you can see, I've tried to leave dinners open until we get clarification on Governor Haley's plans for the visit. Let me know if you think there would be any daytime changes necessary to accommodate any additional activities. Otherwise, I'll move forward with solidifying the site visit portion of his time in SC, as there are many different players involved. Looking forward to seeing you tomorrow.

Thank you,
Morgan
