CABIN ALERT! Poinsett State Park has had 4 cabins become available this weekend! We are offering 40% OFF to fill these cabins. These are 1 or 2 BR cabins. To book or for more info, please call the park at 803-494-8177. If no one answers, please leave a message and we will return your call asap. This will make a great little getaway for this weekend! <http://southcarolinaparks.com/poinsett/lodging.aspx>

**Teddy D. Cook** Can't leave my dog behind. She's my best friend. Who wishes SCSP would loosen up on pet rules? Most top shelf hotel's allow pets with conditions.. why not SCSP?

**Tanya Thompson** I agree! I just looked at this too and as soon as I saw no pets, I lost interest!

**DeeDee Prickett** I agreed, most hikers, outdoor peeps have pets so they should be allowed.

**Nicholas Dillon** Because people like my wife are allergic to dogs, cats, etc. you can clean all day and the dander is still present. Same reasoning for not allowing smoking.

**Patty Reed** There are enough cabins - some can be dog free zones. But it definitely is not the same as smoking.

**Robyn Posey** You definately need dog friendly cabins. We would love to spend the weekend at a South Carolina State Park in the winter but too cold for camping. Where we go our dogs go with us.
