Subject: LTC Taskforce Mtg on Financing & Affordability - RESPONSE NEEDED

Hi everyone,

Thanks to all of you for your willingness to serve on the Long-Term Care Taskforce as a member of the Financing and Affordability Sub-committee, which is being co-chaired by Pam Dukes and Cindy Helling. We have an excellent group on board to participate in this important effort and are looking forward to working with all of you.

**\*\*Our first Financing and Affordability sub-committee meeting will take place on Monday, February 24 from 1:30-3:30pm. Please email me back to let me know whether you will be able to attend.\*\***

I know this is quick turnaround; at this first meeting, we plan to discuss our scheduling plan moving forward. Also, I am in the process of securing a location for our meeting and will be in touch again shortly to let you know where in the Columbia-area we plan to meet. In the meantime, I hope you can all save the date.

Thanks to all of you who have already completed our brief online survey and given us your input on the specific issues we could address as a part of this taskforce process. If you haven't already taken the survey, we would appreciate your response via the link below.
