Nikki Haley on WOLB-AM (Radio) - Baltimore, MD
01/10/2015 19:26:04

... our air our sort of forward with what the season he's he's all crazy he's gone on cell nikki haley's these killer
who shout our gear right now our job added if bush i want a monastic at artic by tears assisted are so exactly
what we do will become severe flu strains mutate in the glue that they denied that they were the dull work
recalled that general powell calls for the ...
