Subject: Policy and Communications Plan for the Next Few Months

Attachments: 2017-6-21 Policy and Communications Plan for July 2017.docx

---

Good Afternoon,

Starting with Tori Beth and I having a bit of an impromptu discussion, followed by getting progressively more organized in the last two days, we have some notes and plans for the next few months. Some of the broader themes and how to organize events around those have been discussed with Danny as well.

For those of you in the office with access to the network drive, this document is in the Lieutenant Governor Folder - Group Planning Sub Folder. As you will see the document is color coded based on what has been accomplished towards the item listed, if as we all work on this we could update this I think that would be great, but we can also look at other ways of accomplishing these items.

Please let us know your thoughts on these events.

If you have contact information to contribute, or thoughts on filling in some of the broader ideas, that is also greatly appreciated.

*Best Regards,*
