19 September, 2013

Dear State and International Delegates and School Administrators:

This email is to kindly request your sincere considerations for annual support and upcoming attendance at The International Corporal Punishment Ban Policy Summit 2013 dated on Saturday, 26 October, 2013 from 9:00 a.m. to 5:00 p.m., as scheduled in Cambridge, Massachusetts (New England - USA) respectively.

The primary goal at our initial (one-day) meeting is to propose greater (1) accountability, (2) compassion, (3) leadership, and (4) health wellness for all children, youth, and families in the great states of Alabama, Arizona, Arkansas, Colorado, Florida, Georgia, Idaho, Indiana, Kansas, Kentucky, Louisiana, Mississippi, Missouri, Oklahoma, North Carolina, South Carolina, Tennessee, Texas, and Wyoming. While our secondary goal is to present and implement the "Corporal Ban Act" before state legislative members, school districts, and school administrators, children's policy in education on all levels is very critical in 21st century leadership. The ultimate goal perhaps is to "build stronger bridges by connecting as many lives" for world peace in America and abroad, particularly in schools

across our great American nation.

We, therefore, encourage each of you as educators, leaders, parents, and universal family members to support our 2020 VISION: Children's Health and Wellness Programs and Summits. Our children, indeed, are the greatest reward in life as they are our next generational world leaders.

Enclosed are updated reviews and news articles for your reading. Visit us online at Facebook, LinkedIn, Manta, Twitter or at <https://sites.google.com/site/thegillardinstituteinc>.

Concerns or questions, please contact us by email or in writing. Please R.S.V.P. by email at least 3 to 7 days, prior to the meeting to admissions and lunch preparations.

We look forward to meeting and working with each of you and your team members as soon as a possible.

Warmest Regards,
