49.1: I checked PRT's website and most of their references are 2 words, so I changed it.
118.16 – Les agreed with me that it is ok to have two items the same name, so the additional Debt Service will also be called General Obligation Bonds.

Making progress on the changes.

Subject: Proviso Update

I did a first full read-through of the proviso document tonight and I only have a couple more changes or observations than those I emailed a couple hours ago:

- 35.6: We're "undeleting" this one.
- 49.1: Is "Grand Strand" two words?
- 117.13: There appears to be an extra space in "(Division) on page 172, line 17.
- 118.16: Please take item 9 (Closing Fund) down to \$13,566,809 – this should hopefully leave \$6,400,000 even. Add a new item 14 for V04-Debt Service and use the remaining funds there. If it can be called "General Obligation Bonds" even though item 1 already is, then that's fine. If we have to differentiate it in some way, then it could be "Accelerated Debt Repayment" or something like that. Thanks.
