Subject: Please join S.C. Sea Grant for "Networking with Stakeholders" Sept. 1

Good Afternoon,

The S.C. Sea Grant Consortium will be hosting a National Sea Grant College Program external site review team on September 1-2, 2015 which will be evaluating the Consortium in three areas: (1) program organization and management, (2) stakeholder engagement, and (3) partnerships and collaborations. As part of the review, we will be holding a "Networking with Stakeholders" event to provide an opportunity for the Site Review team members to interact with a number of our colleagues and collaborators, and to celebrate our 35<sup>th</sup> anniversary. We would be very pleased if you are able to attend. Please see the invitation below for details and RSVP instructions.

We hope to see you there—

Rick
