Hi SC Parks. This may be an odd question. I became an Ultimate Outsider on June 2 at Myrtle Beach State Park. I loved the journey to get there! I never saw my photo posted on the website, but did receive my p[ackage. I understand it has been a while. I was wondering if my photo could be at least emailed or messaged over so I could have the photo for memory sake. Thanks in advance. LOVE THE PARKS SERVICE!!!

Hi, This may seem ridiculous, but i noticed that an ultimate outsider picture was posted from july 2. I had my picture taken on june 2 at myrtle beach. At this point I don't care if its posted, but I would like a copy of the picture for my personal records. I wish I would have had the foresight to have had the park rangers take a n extra picture with my phone. If you could please help me track the picture down so I can have a copy that would be very helpful. Thank you.

Hi! We post pictures at random. We go back and post pictures from Ultimate Outsiders past. They are in no particular order. I will search my files tomorrow and see if I can track your picture down. I will get it to you and we'll get it posted on FB also. Thanks!

Here's your photo! It will be featured on our Facebook page this weekend. Your daughter is adorable! And she went to all 47 parks too?
