No all separate budget. Mansion has their own and Ombudsman is under DOA.

2. Like mansion staff and ombudsman's office. That all comes out of the same budget, right?

1. Employees created their own job descriptions. HR doesn't have all on file as they are not required.
2. Not sure I understand the question.

Do we have position descriptions for employees?

How many Governor's Office employees do we have outside of the Statehouse? Who are they?

Thanks,
