I want to thank you and your staff for working closely with HP to reach an agreement to resolve all of the outstanding issues related to the child support contract. I know we are both happy that the focus can now return to finalizing a certified system for the state of South Carolina.

HP also looks forward to working with your administration throughout your second term on IT challenges facing your state. If I can be of assistance to you on these, or any other issues, please do not hesitate to contact me.

Sincerely,

Meg Whitman
