Senator,

This is what I was able to find out:

With the addition of the new 7<sup>th</sup> district, the composition of the DNR Board was updated to consist of 7 total members, one per district. Mr. Lowe, who served in the 5<sup>th</sup> district seat prior to redistricting, was redrawn into the new 7<sup>th</sup> district seat. Because Mr. Lowe's term does not expire until 7/1/14, he will continue his term until that date as the 7<sup>th</sup> district board member. As no member of the board was redrawn into the 5<sup>th</sup> district and no new appointment has been made, the seat is currently vacant.

Let me know if you have any questions. I would strongly encourage a letter.

Thank you,  
Katherine

I'm not really sure why Ted ask me about finding a candidate for the DNR Board. I looked at the DNR website and the current member for the 5th District is serving a term that does not expire until July 1, 2014. The only thing I can figure is that the chairman, Johnny Evans, may want to step down since his term has expired and that Kerry Chastain, the at-large member, may be put in his slot. Anyway, do you think I should still write a letter re my guy to the governor?
