Thanks...we have some text to pass along to you, which will start showing up Friday and will trickle in more through the weekend. What's our deadline? I'm hoping we'll have a bit of time early next week to sit down with you and finalize any open items? I had less time to work on this in Philly last week than I'd hoped.

Subject: Provisos

Josh and Christian. I am currently working on loading the provisos changes that were detailed in the Governor's Executive Budget. If you would send me any new ones I will include them in my document. I will be working tomorrow as well as Saturday and Sunday to pull the document together for your review.
