Subject: Support the Movement for Children and Families

Dear Kevin,

Today we are celebrating #GivingTuesday, a global day of giving to support the causes we care about and make a difference in our communities.

This year, we had the privilege to talk to thousands of Americans during our voter registration and Get Out The Vote drives. When we asked people why they were “voting for kids,” the answers revealed a few core principles: that child care should be affordable and safe so parents can work; that no child should go hungry or go without health care; and that children should not be separated from their parents.

In order to keep fighting for these values in 2019 and beyond, we need your support. We need advocates on the ground, in state houses, in the U.S. Capitol, and on the campaign trail (the presidential election is around the corner!) to make sure that children's needs and rights are not forgotten.

Will you join together with our supporters across the country and make a #GivingTuesday gift to Every Child Matters?
