1. File 23.277A / SC Route 14 (Pelham Road) / Greenville County

During construction of improvements on SC Route 14 (Pelham Road), under File 23.277A in Greenville County, near the City of Greer, the Department acquired right of way for the improvement of SC Route 14 (Pelham Road) and Roscoe Drive intersection by Condemnation of tracts 95 and 96 from Phillip J. Prezestrzelski, Donna Prezestrzelski and Linda Loughlin dated November 5, 1999.

A request was received from Carolinda M. Robinson requesting the small remainders of tracts 95 and 96 adjacent to her property. The small remainders separate Mrs. Robinson's property from Roscoe Drive. The request was circulated to the Engineering sections to determine if said parcels could be declared surplus. After review it was determined that the parcels were surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.4 of an acre of land to Carolinda M. Robinson in consideration of \$18,000.00 was executed on November 25, 2002.

2. File 23.352A / Road S-272 / Greenville County

During construction of improvements on Road S-272, under File 23.352A in Greenville County, near the Town of Four Shoals, the Department acquired right of way for the improvement of Road S-272 by Construction Act 36 in 1959 and was accepted into the South Carolina Department of Transportation Highway System on September 17, 1959.

A request was received from the adjacent property owners asking the Department to sell a parcel of abandoned right of way located in front of their property. The subject parcel is a landlocked remainder that separates the requester's property frontage from the new right of way of Road S-272. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.47 of an acre of land to Patricia H. Castleman and Mary H. Wiggs in consideration of \$4,000.00 was executed on November 25, 2002.

3. File 10.882 / Road S-20 / Charleston County

During construction of improvements on Road S-20, under File 10.882 in Charleston County, near the City of Charleston, the Department acquired right of way for the improvement of Road S-20 by Title to Real Estate from Benjamin & Edwina Green dated August 11, 1997 and from TC & Jessica Bernados by Condemnation dated February 23, 1998.

During negotiations to settle a difficult condemnation case, the Department agreed to convey a small parcel of adjacent surplus property and reduce the 23-meter (75.46-foot) right of way line to a 16.5 meter (54-foot) right of way line in front of the Grantee's property. Therefore, a Gratis Quitclaim Deed for a total of approximately 0.17 of an acre of land to T.C. & Jessica Bernados was executed on December 6, 2002.

Therefore, a Gratis Quitclaim Deed for approximately 0.3 of an acre of land to Li'l Crickett, LLC was executed on December 6, 2002.

5. File 21.615 / Road S-1041 & Road S-876/ Florence County

During construction of improvements on Road S-1041 and Road S-876, under File 21.615 in Florence County, near the Town of Pamplico, the Department acquired right of way for Road S-1041 and Road S-876, by Construction Act, Section 33-106.1 and accepted the roads into the South Carolina Department of Highway system on October 15, 1970; also, from the Town of Pamplico by Dedication dated September 24, 1971.

A request was received from the District 5, District Engineering Administrator on behalf of the Florence County School District No. 2 asking the Department to abandoned and convey portions of Roads S-1041 and S-876. Since the Department brought these roads in the system under the Construction Act from the Town of Pamplico, and the school district has completed a road closure action at SCDOT's request it is appropriate to convey this property gratis. Therefore, a Gratis Quitclaim Deed for approximately a total of 1.36 of an acre of land to Florence County School District No.2 was executed on December 3, 2002.

After receiving approval from the South Carolina Budget and Control Board, the property was marketed to the general public with signs, newspaper ads, and all necessary means to attract a qualified buyer. A bid sale was set up and consummated. The Grantee offered the highest acceptable bid over the appraised value of \$23,600.00. Therefore, a Quitclaim Deed for approximately 1.97 acres of land to Floyd Vernon Chandler, III was executed on December 17, 2002 in consideration of \$24,101.00.

Green by Condemnation dated June 10, 1958.

Improvements were made along SC Route 146 resulting in the realignment of Road S-145 and SC Route 296. A request was received from an adjacent property owner requesting a portion of Old Road S-145 and Old SC Route 296. The request was circulated to the engineering sections to determine if the said parcel could be declared surplus. After review it was determined that the parcel was surplus to the Department needs. A request was received from the adjacent property owner asking to purchase a small parcel of right of way (Dorsey Street) in front of his business in order to make improvements to the abandoned roadbed and drainage. The request was circulated to the engineering sections to determine if the said parcel could be declared surplus. After review it was determined that the parcel could be sold under the following conditions: 1) the deed will include a Reverter Clause so that the Department can reclaim title to the property anytime it deems necessary. 2) Any additional work on the road and drainage must be approved by the SCDOT. The Grantee has agreed to these conditions. Therefore, a Quitclaim Deed for approximately 0.11 of an acre of land to Philip Schoonover was executed on December 30, 2002 in consideration of \$15,700.00.

During negotiations to acquire new right of way for the above project, the Department agreed to exchange the old abandoned right of way of Road S-1 (Clemson Highway) to the Grantee in exchange for the new right of way needed for the relocation of Road S-1. Therefore, a Gratis Quitclaim Deed for approximately 1.4 acres of land to Edwards Land Management, Inc. was executed on December 30, 2002.

In order to settle a difficult condemnation case, the Department agreed to pay \$51,000.00 for approximately 1.416 acres of land (\$36,000.00 per acre). As part of the settlement the Department agreed to reduce the amount of property condemned, being the right of way for the outfall ditch, and agreed to convey that property back to the Grantee (Condemnee). The value of the property being quitclaimed is \$22,320.00 resulting in a cost savings to the Department for that amount. This action will eliminate the severance damages as well as allow the Grantee access to the median. Therefore, a Gratis Quitclaim Deed for approximately 0.62 of an acre of land to Robert W. Sanders was executed on January 2, 2003

16. File 23.276A / SC Route 418 Relocation / Greenville County

During construction of improvements on SC Route 146, under File 23.458A in Greenville County, near the City of Mauldin, the Department acquired right of way by Condemnation from S.C. Bradley dated June 6, 1956 and by Condemnation from A.H. Godfrey Estate dated June 6, 1956.

The Department had acquired right of way previously on the above project by condemnation at no cost for the parcel. The Bradley Oaks Homeowners Association had a very expensive decorative wall built whereby the contractor inadvertently constructed the wall on the right of way at the entrance of the subdivision. It was decided, with concurrence from the engineering departments, that the small parcels of right of way and wall should be deeded to the association due to the expensive replacement cost of the wall and to avoid liability to the Department. The deed contains a Reverter Clause allowing the Department to reacquire the parcels at no cost or damages for the wall. Therefore, a Gratis Quitclaim Deed for approximately 0.263 of an acre of land to Bradley Oaks Homeowners Association was executed on January 2, 2003.

18. File MSC 76 / SC Route 34 / Fairfield County

The Department acquired 1.0 acre (43,560 sq. ft.) of land at a cost of \$100.00 to construct a maintenance operations facility, MSC 76, in Fairfield County, near Salem Crossroads by Title to Real Estate from Ernest B. Crawford dated April 9, 1938.

The District Engineering Administrator of District 4, with concurrence of management, has determined that the Maintenance Shed near Salem Crossroads is no longer needed and should be liquidated from the Department's inventory. After receiving approval from the South Carolina Department Budget and Control Board, the property was marketed to the general public with signs, newspaper ads, and all necessary means to attract a qualified buyer. A bid sale was set up and consummated. The Grantee offered the highest acceptable bid higher than the appraised value of \$6,000.00. Therefore a Quitclaim Deed for approximately 1.0 acre of land to Quay W. Mc Master in consideration of \$6,500.00 was executed on December 30, 2002.

19. File 32.912 1 / US Route 1 / Lexington County

During construction of improvements on Road S-113, under File 32.572 in Lexington County, near the Town of Gilbert, the Department acquired 0.23 of an acre (10018 sq. ft.) of right of way at no cost to the Department for Road S-113, by Condemnation from Mrs. Belle M. Reeder dated June 16, 1971.

Improvements were made at the intersection of US Route 1 and Road S-113 under file 32.912.1 in which Road S-113 was realigned creating abandoned right of way. A request was received from Zuleime L. Martin requesting the small remainder of abandoned right of way. The request was circulated to the Engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.04 of an acre of land to Zuleime L. Martin in consideration of \$1,000.00 was executed on December 30, 2002.

A request was received from Joseph L. Tamsberg, Jr. requesting two small remainders of Old SC Route 707 adjacent to his property. These parcels of abandoned right of way separate the requester's land from the new SC Route 707. The request was circulated to the Engineering sections to determine if said parcel could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.65 of an acre of land to Joseph L. Tamsberg, Jr. in consideration of \$30,365.00 was executed on January 8, 2003.

21. File 42.318A / SC Route 296 / Spartanburg County

To solve an engineering problem it was necessary for the Department to construct a retaining wall along a small section of SC Route 296. To remove liability and maintenance responsibility from the Department, the District Construction Engineer recommends that the Department convey the wall and the small parcel of land to the adjacent owner. Therefore, a Gratis Quitclaim Deed for approximately 0.01 of an acre of land to Frank M. Nutt was executed on January 14, 2003.

The above project was abandoned in the 1980's after right of way was acquired for the construction. The Grantee purchased four parcels at a bid sale in 1986 that was held by the SCDHPT for the purpose of liquidating the surplus right of way. The original deed was not recorded and has since been lost by the Grantee who has petitioned the court for a replacement deed from the Department. 28. File 23.2000.4 / Road S-88 / Greenville County

During construction of improvements on Road S-88 Relocation, under File 23.2000.4 in Greenville County, near the City of Greenville, the Department acquired right of way for Road S-88, by Deed to Right of Way from Forestville Baptist Church dated June 6, 1948, by Deed to Right of Way from W.L. Jenkins & McDell T. Jenkins dated June 3, 1948, and by Deed to Right of Way from Mary W. Shuler Estate dated June 8, 1948 under Road S-88, File 23.291.

During negotiations to acquire the new right of way for the above project, the Department agreed to convey the abandoned portion of Old Road S-88 back to the Grantee in exchange for the new right of way needed for the relocation of the road. Therefore, a Gratis Quitclaim Deed for approximately 1.2 acres of land to Forestville Baptist Church was executed on February 5, 2003.

29. File 23.245A / I-85 / Greenville County

During construction of improvements on Interstate Route I-85, under File 23.245A in Greenville County, near the City of Greenville, the Department acquired right of way for Interstate Route I-85, by Condemnation from Thermo Kinetics dated June 1, 1995 and by Title to Real Estate from John D. Hollingsworth dated September 12, 1994.

An adjacent owner requested that the Department sell a parcel of adjacent land located outside the present right of way of Interstate Route I-85 and Line Street. A request was circulated to the Engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 3.18 acres of land to Thermo Kinetics in consideration of \$21,000.00 was executed on February 4, 2003.

30. File 42.443A / US Route 29 (St John Street Extension) / Spartanburg County

During construction of improvements on US Route 29 (St. John Street Extension), under File 42.443A in Spartanburg County, near the City of Spartanburg, the Department acquired five tracts of land totaling 0.69 of an acre (30,056 sq. ft.).

The City of Spartanburg has requested to purchase any available parcels that are outside of the new right of way of US Route 29 (St. John Street Extension). The City has plans to use this land for public purposes as mini parks and beautification areas. The request was circulated to the Engineering sections to determine if said parcels could be declared surplus. After review it was determined that the parcels were surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.69 of an acre of land to the City of Spartanburg in consideration of \$9,600.00 was executed on February 7, 2003.

31. File 810.439.03 / Road S-33 / Berkeley County

During construction of improvements on Interstate I-526, under File 810.439.03 in Berkeley County, Daniel Island, the Department acquired right of way for a temporary Access Road, by Condemnation from Anna Lee Shaw dated January 27, 1987.

During negotiations to settle a difficult condemnation case the Department purchased the subject parcel to provide temporary right of way for access to the construction of Interstate I-526. An agreement was reached to convey this right of way back to the Grantee at the completion of the project. Therefore, a Gratis Quitclaim Deed for approximately 0.11 of an acre of land to Anna Lee Shaw was executed on March 4, 2003.

32. File 33.282 / Road S-179 / McCormick County

During construction of improvements on Road S-179, under File 33.282 in McCormick County, near the Town of Clarks Hill, the Department acquired right of way for Road S-179, by Right of Way Easement from US Government Department of the Army.

DEA Philip Brooks received a request from the Department of the Army asking the Department to convey its interest in a portion of Road S-179 to include the cul-de-sac. A field check revealed numerous encroachments on the Department's 66-foot right of way. This action will clear the Department of any future litigation due to the safety hazards the encroachments impose on the right of way. Therefore, a Gratis Quitclaim Deed for approximately 2.3 of an acre of land to Department of the Army was executed on March 5, 2003.

33. File 23.724 / Road S-492 / Greenville County

During construction of improvements on Road S-492, under File 23.724 in Greenville County, near the City of Greenville, the Department acquired right of way for Road S-492 by Condemnation from Ruth H. Hodgens dated September 1, 1977.

A request was received from Greenville County asking the Department to sell its right of way adjacent to Butler Springs Road. The County is making improvements to Butler Springs, which is currently a county road. The Department acquired the subject right of way while making improvements to the adjacent Road S-492 (Pelham Road). The request was circulated to the engineering sections to determine if the said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore a Quitclaim Deed for approximately 0.35 of an acre of land to Greenville County was executed on February 24, 2003 in consideration of \$34,797.50.
