Beth,

So great to meet you by email. Looking forward to meeting you in person!

I'm out of town right now but have copied Ashima who can help us set this up. We are happy to come to you or you are welcome to come visit with us. We want to brief you on anything you need -- and looking forward to working with you on all of this going forward!

Have a great weekend.

Cheryl

Hi Cheryl,

I just wanted to introduce myself and reach out regarding scheduling a meeting. Katherine said you have been great to work with, and I look forward to meeting you in person soon.

I would love to schedule a meeting with you and Jean Cecil regarding workforce development. I also would like to meet with Darrell regarding Operation Palmetto Employment. Would it be best to all sit down together? I can work around your schedule.

Thank you,
Beth
