Happy Thursday.

Oh just me checking in again about next week. Matt and Savannah will be arriving to Cleveland Sunday (Today show live there all week) and would love the chance to get a few minutes with the Gov so keep me posted on what might be feasible.

Savannah is also hosting our prime time coverage all week with Chuck and Lester (and I know they would love her) but selfishly my priority is TODAY :)

Thanks as always for any consideration.

Sorry I won't be able to travel there. Miss you guys. #twinning

Thanks so much. Let me know if anything that would be helpful on my end.

Hi Y'all,

Hope you had a lovely weekend! Haven't wanted to bug you too much, but would be remiss if I didn't keep NBC on your radar for RNC. As I mentioned we'll be live from Cleveland all week and would love the opportunity to speak with the Governor.

As always Matt and Savannah happy to chat with you both directly if it would be helpful (as am I!!)

Thanks for the consideration.

Lexi
