Anne Darnell WoW, I bet your Bear had a Great Vacation with the Rangers. That is just so super cool Thompson. I think this is the neatest story I have heard. I bet he might be a Junior Ranger and you will have to be one, too!!!

Karen Whitten Rae How nice was that! Your Bear got to go around the park and see the whole thing with the people who know it best! So glad he had a wonderful time exploring with his new friends! You need to go get your explorer book from the park and make sure you and your bear explore our state parks! They are beautiful and you have pictures to put in the book too! Enjoy 🌟👏
