Joe,

Thank you for reaching out. Good to hear from you.

I am forwarding this request to our scheduler, Nicole Priester, and she'll be back in touch regarding the governor's schedule.

Thanks again for the note.

Rob

Hi Rob,

Very nice to speak with you. I worked with Mark at the Lt. Gov's Office a few years ago and though I would reach out to him for help. I currently work for the Republican Office of the Environment and Public Works Committee. We are having a Water Resources Development Act (WRDA) hearing on March 16th and would love to have Governor Haley come as a witness. WRDA is a very important bill that affects the great state of South Carolina. South Carolina currently has 3 projects in the Army Corp's 7001 report, the most important of which is Charleston Harbor. It would be incredible if we could have Governor Haley come before our Committee and discuss the important of Water infrastructure projects to the state, and the nation as a whole. We realize Governor Haley has a very busy schedule, but if she has any availability we would love for her to come and speak. Thanks again!

Best,

Joe Brown
Majority Legislative Assistant
Senate Committee on Environment and Public Works

Hey Rob,

It's been a long time! I hope everything is going well in the Governor's office.

I wanted to connect you with Joe Brown from the US Senate's Environment & Public Works committee. They are interested in bringing Governor Haley up for a hearing on the Water Resources Development Act in the next few weeks. Joe is cced.

If you do make it to DC with the Governor, let me know and maybe we can grab lunch or something.

Best,

—

Mark Piland

Legislative Assistant
