FEB. 14, 2018

PARKLAND, Fla. - A heavily armed young man barged into his former high school about an hour northwest of Miami on Wednesday, opening fire on terrified students and teachers and leaving a death toll of 17

that could rise even higher,
the authorities said.

Students huddled in horror in their classrooms, with some of them training their cellphones on the carnage, capturing sprawled bodies, screams and gunfire that began with a few shots and then continued with more and more. The dead included students and adults, some of whom were shot outside the school and others inside the sprawling three-story building.

Bloodshed follows **bloodshed**, and yet after 45+ years of government protection and funding of the **murder** of children in the womb, and over **60 MILLION** reported dead, we **STILL** have not yet had enough professing Christian, Republican and/or Democrat, politicians who have had enough of the shedding of innocent blood in the womb, and who fear God enough, to hate evil enough (Proverb 8:13, **KJV**), to do all in their power to **Establish Justice** [**NOT to just incrementally "regulate" child-murder**] including passing **Personhood** now ! (Such as **S .217 / H.3530** in South Carolina; and **HR 586** in the US House of Representatives).

Repent and **Reform**, America (**especially** a nation filled with tens of millions of "professing" **Christians**), or **God's Judgment** upon our nation as the **Divine Avenger of Blood** (Deuteronomy chapter 19, **KJV**) will **continue** and will **increase**. May God grant us the Gifts of Repentance and Tears for this great National Sin.

"For unto whomsoever much is given, of him shall be much required; ..." Luke 12:48b, **KJV**

The Shedding of Innocent Blood continues to pollute the land (Numbers 35:33, KJV) in Florida and in all 50 States of the United States of America !

"The media has been flooded with reports of the Florida school shootings on [February 14].

There is no way to minimize the tragedy of these 17 murders. But this is not the only story of

blood flowing in Florida – there were 73,727 murders of babies via abortion in Florida in 2016

in abortion [centers]." [emphasis added]

The Wake-up Herald, Robert McCurry, Editor & Publisher, February 15, 2018

PRO-"ABORTION" Guttmacher Institute

State Facts About Abortion: Florida - January 2018

<https://www.guttmacher.org/fact-sheet/state-facts-about-abortion-florida>

"There were 86 abortion -[perpetrating] facilities in Florida in 2014, and 71 of those were clinics." [sic]

America has suffered ongoing bloodshed domestically (e.g., mass shootings, youth violence, police shootings).

The Biblical consequences for shedding innocent blood include more bloodshed (Hosea 4:2),

tyranny (Psalm 106:37-44), invasion (2 Kings 17:5-23) and war (2 Kings 24:1-4). These verses

cited are only examples. Read the books of Isaiah, Jeremiah, and Ezekiel, and more. The Bible

is full of promises of blessing for obedience, and judgment for disobedience for any nation, for

all nations (Proverb 14:34, Psalm 9:17). Read Deuteronomy chapter 28 and Leviticus chapter 26 (KJV).

Thomas Jefferson (3rd President of the United States of America): "I tremble for my country when I recall that God is just, and His justice will not sleep forever."

America's framers understood only a [moral, virtuous people](#) would be capable of sustaining [liberty](#).

A people will either be ruled by God by internal moral restraint; or will be tyrannized and ruled by tyrants:

John Adams (2d President of the United States of America): "Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."

William Penn (founder of Pennsylvania): "Those who will not be governed by God will be ruled by tyrants."

John Adams (2d President of the United States of America): "Public Virtue cannot exist in a Nation without private, and public Virtue is the only Foundation of Republics." [Letter](#), April 16, 1776.

Samuel Adams (Father of the American Revolution): "A general dissolution of principles and manners will more surely overthrow the liberties of America than the whole force of the common enemy. While the people are virtuous they cannot be subdued; but when they lose their virtue they will be ready to surrender their liberties to the first external or internal invader ... If virtue and knowledge are diffused among the people, they will never be enslaved. This will be their great security." Letter, February 12, 1779.

John Adams (2d President of the United States of America): "Statesmen, my dear Sir, may plan and speculate for liberty, but it is religion and Morality alone, which can establish the Principles upon which Freedom can securely stand. The only foundation of a free Constitution is pure Virtue, and if this cannot be inspired into

our People in a greater Measure, than they have it now, they may change their Rulers and the forms of Government, but they will not obtain a lasting liberty." Written on June 21, 1776

However America has long ago failed to maintain her public virtue. America's culture and law in 2018

embraces **fornication, child-murder-by-"abortion",** and **sodomy**, literally, as constitutional rights.

We have become an abomination, a shame, and a reproach. In major ways, the pulpits have failed us.

It is we who are born-again Christians who are to be Salt and Light (Matthew 5:13-16, **KJV**) to a nation.

As the church goes, so goes the nation. We're not going to see the world get right with God until we see the church of the Lord Jesus Christ get right with God!

America is in a mess because the church of the Lord Jesus Christ in America is in a mess:

Ecumenical (yoking up with the **Whore of Babylon** in the **culture wars**), **feminized, worldly,** **weakened by false Romish, Alexandrian manuscript Bibles***** (e.g., NIV, NASB, ESV, ASV) instead of holding onto Textus Receptus manuscript Bibles (e.g., KJV and **Geneva Bible**), **weakened by some false teaching and by an absence of some teaching** (e.g., " **birth control** ", **government schools**), **and by some false doctrines** (e.g., **Jesuitical Futurism eschatology**, overbroad **cessationism**).

*** For example, **compare these verses** between the KJV and the Romish, Alexandrian manuscript Bibles:

John 3:15 [**Romish Bibles undermine the doctrine on hell by omission of "should not perish".**]

Colossians 1:14 [**Romish Bibles undermine the doctrine of the Blood of Christ by omission of "through His blood".**]

Luke 4:4 [**Romish Bibles undermine the importance of the Word of God by omission of "but by every word of God."**]

[These verses and omissions are only the tip of the iceberg. Put away Rome's corrupted Bibles, and change over to KJV or true **Geneva**.]

A 19-year-old man armed with an AR-15 rifle and described as a former student carried out a shooting Wednesday afternoon that left 17 people dead at a south Florida high school in Parkland, according to the Broward County sheriff.

It was one of the deadliest mass shootings to take place in Florida since the June 12, 2016 Pulse Nightclub shooting in Orlando that left 49 victims dead.

This massacre - which happened on Valentine's Day - was one of the deadliest to happen on a school campus in U.S. history.

"It's a horrific, horrific day," Broward County Sheriff Scott Israel said in a news conference in the hours after the shooting.

PARKLAND, Fla. - A heavily armed young man barged into his former high school about an hour northwest of Miami on Wednesday, opening fire on terrified students and teachers and leaving a death toll of 17 that could rise even higher, the authorities said.

The gunman, armed with a semiautomatic AR-15 rifle, was identified as Nikolas Cruz, a 19-year-old who had been expelled from the school, the authorities said. He began his shooting rampage outside Marjory Stoneman Douglas High School in this suburban neighborhood shortly before dismissal time around 2:40 p.m. He then made his way inside and proceeded down hallways he knew well, firing at students and teachers who were scurrying for cover, the authorities said.

PARKLAND, Fla. - A former student went on a shooting rampage at a Florida high school Wednesday, leaving 17 dead while panicked students barricaded themselves inside classrooms and **frantic parents raced to the scene** .

Some of those mothers and fathers were still waiting into the night for word whether their child survived the massacre.

Broward County Sheriff Scott Israel said five of the 17 victims have still not been identified as of 9:30 p.m. ET

- about seven hours after the shooting.

The gunman, who had been expelled and didn't graduate, **was identified as 19-year-old Nikolas Cruz**. Israel said

Cruz was armed with "countless" magazines and an AR-15-style rifle.

Cruz was arrested a short distance from the school near a home, a law enforcement official who is not authorized

to comment publicly told USA TODAY. Students recognized the suspect during the assault, he said.

Flanked by officers, the suspect was later escorted into a police station wearing a hospital gown.

"Another horrific day, a detestable day," Israel said. "I'm absolutely sick to my stomach to see children who go to school armed with backpacks and pencils lose their lives."

The shooting happened about 2 p.m. at Marjory Stoneman Douglas High School in Parkland, Fla., which is about 30 miles northwest of Fort Lauderdale, according to the Coral Springs Police Department.

The 17 dead include students and adults, Israel said. Others were injured and taken to local hospitals, including at least 14 who were treated at Broward Health Medical Center and Broward Health North in Deerfield

Beach.

Several were in critical condition Wednesday night.

[Excerpt]

The victims of the shooting ranged in age from 18 months to 77, the authorities said on Monday. Among the dead were several children, a pregnant woman and the pastor's 14-year-old daughter.

CLL / CCL :

The Texas Baptist church shooting Sunday November 5, 2017 was the deadliest mass shooting in

Texas history: 26 now dead, including the pastor's 14 year old daughter. **"Blood toucheth blood"**,

Hosea 4:2, **KJV**. Prophetically, God is saying to a bloody nation, and to a nationwide Christian church

lacking in spiritual vision to Establish Justice instead of incessantly, incrementally, UNBIBLICALLY,

"regulating" the murder of children created in **HIS** image in the womb: Ezekiel 35:5,6, **Geneva Bible**.

One Christian pro-life missionary has said repeatedly: If America does not **Repent** and **END** child-murder, we as a country will be judged calamitously with a **national bloodbath** for this national sin, just as America was judged (both North and South) in 1861-1865, for the national sin and bloodshed of un-Biblical American Slavery, when 600,000 - 700,000 died in the War Between Americans which God gave to both North and South. These recent mass shootings may only be foreshadowings of a national bloodbath to come if we do not Repent and Reform of our national sin of child-murder by "abortion" and the shedding of innocent blood in the womb.

Pass Personhood Now !!!

[State] South Carolina General Assembly: Personhood Act of SC (**S. 719 / H .3530**)

[Federal] United States House of Representatives - Sanctity of Human Life Act (**HR 586**)

How long will it take more Americans, **especially evangelical, born-again Christians** to listen ?

National calamity occurred 150 years ago 1861-1865 because Biblical Justice was not established on behalf of black Americans; the Northern Republicans wanted to "regulate" Slavery, and Southern Democrats wanted to keep Slavery.

If by the grace of God, more born-again Christians will cry out on behalf of judicially innocent unborn children, to **Establish Justice** (and not just "regulate" their murder), then perhaps an eventual Divine Judgment of a national bloodbath such as occurred in 1861-1865 can be prevented, in God's Mercy, **IF** we Repent and Reform .

Pass Personhood Now !!!

Read the latest on the [Texas shooting](#) with Monday's updates.

SUTHERLAND SPRINGS, Tex. - A gunman clad in all black, with a ballistic vest strapped to his chest and a military-style rifle in his hands, opened fire on parishioners at a Sunday service at a small Baptist [church in rural Texas](#), killing at least 26 people and turning this tiny town east of San Antonio into the scene of the country's newest mass horror.

The gunman was identified by the [Texas Department of Public Safety](#) as Devin Patrick Kelley, 26. Mr. Kelley, who lived in New Braunfels, Tex., died shortly after the attack.

He had served in the Air Force at a base in New Mexico but was court-martialed in 2012 on charges of assaulting his wife and child. He was sentenced to 12 months' confinement and received a "bad conduct" discharge in 2014, according to Ann Stefanek, the chief of Air Force media operations.

The motive for the attack was unclear on Sunday, but the grisly nature of it could not have been clearer: Families gathered in pews, clutching Bibles and praying to the Lord, were murdered in cold blood on the spot.

Mr. Kelley started firing at the First Baptist Church in Sutherland Springs not long after the Sunday morning service began at 11 a.m., officials said. He was armed with a Ruger military-style rifle, and within minutes, many of those inside the small church were either dead or wounded. The victims ranged in age from 5 to 72, and among the dead were several children, a pregnant woman and the pastor's 14-year-old daughter. It was the deadliest mass shooting in the state's history. At least 20 more were wounded.

One person was killed and seven others were wounded after a gunman opened fire on Sunday at a church in Antioch, Tenn., near Nashville, officials said. The police said the gunman, who shot himself, was in custody.

About 50 people were in the church at the time of the shooting, which was reported at 11:15 a.m. local time as services were ending, the police said. Robert Engle, an usher at the church, the Burnette Chapel Church of Christ, was pistol-whipped when he confronted the gunman.

Mr. Engle, 22, then ran to his car, got his gun and returned to ensure "the gunman didn't make any more movements until police arrived," Don Aaron, a police spokesman, said at a news conference. The police described Mr. Engle as an "extraordinarily brave individual."

Chief Steve Anderson of the Metropolitan Nashville Police Department said Mr. Engle's actions helped end the shooting.

At least 59 people were killed and 527 injured in Las Vegas Sunday night when a gunman opened fire on a music festival crowd from the 32nd floor of the Mandalay Bay Resort and Casino, in what is now the deadliest shooting in modern U.S. history.

The death toll from the incident could possibly go up, said Clark County Coroner John Fudenberg in a press conference Monday afternoon.

[Excerpt]

The [mass shooting as Jason Aldean performed](#) at a country music festival in Las Vegas is now the deadliest such incident in modern American history.

It eclipsed the [2016 Pulse nightclub massacre](#) in Orlando as the worst event of its kind.

These are the deadliest mass shootings on U.S. soil:

The number of people murdered is now up to [at least 59](#) in Las Vegas; and injured, 500 plus.

[59 are dead](#) at present. That number could increase.

Number of Abortions - Abortion Counters

<http://www.numberofabortions.com/>

The number of child-murders in America by so-called "abortion" is reported [here](#) to be well over **59 Million**.

So at present, in this one horrific shooting, the latest and **deadliest** among mass shootings in US history, that is one human person murdered compared to every one Million (reported) human persons murdered in the womb in bloody America since 1973: **59 Million**.

God's command applies equally to all, to the human persons in Las Vegas and the human persons residing in the wombs of their mothers: "Thou shalt not kill (murder)." Exodus 20:13, KJV.

The Bible says, **"blood toucheth blood"** (Hosea 4:2, **KJV**), or **bloodshed follows bloodshed**.

Incrementally "regulating" the flow of shedding innocent unborn human blood is NOT going to spare this nation from the wrath of God. Repentance and establishing justice (e.g., Personhood) may if it pleases God to show us His Mercy.

The US Congress could pass **HR 586** federal Personhood bill (www.Congress.gov, HR 586) in one week if there was the vision, courage, and will to do so. 44 plus years of incrementally "regulating" child-murder has NOT established justice, no, rather it has perverted justice. Repent America.

Pass **Personhood** now !
