Subject: Hello from MSNBC and the "Melissa Harris-Perry" show

Hello Chaney –

Condolences and sympathies are going out to the people of Charleston right now. I am reaching out from MSNBC's "Melissa Harris-Perry" show. We wanted to see if Governor Haley could join us live from Charleston on Saturday morning. I know the schedule is fluid right now. Any chance she could join us between 10A-Noon? Your efforts in facilitating are greatly appreciated.

Best,
