Mr. Kester:

My father, Ed Knight, recently spoke to you about possible intern/student job opportunities with the Lieutenant Governor's Office on Aging. I am extremely interested in this position as a means to gain experience in a government office and to assist the growing elderly population of our state. I am interested in working next semester; however, I could start in early December and would be available to work during the semester break.

Attached is a scan of my application. Please let me know if there is anything else I can provide; my phone number is (803)201-3384 . I look forward to the opportunity to talk with you more about this position.

Regards,

Corinne Knight
