Dangerous speed around too many neighborhood entrances

I live in Westcott Ridge subdivision and my son also had a wreck in that stretch of Broad River Rd. It is unsafe for the speed limit to be above 45 mph from I-26 to the school zone.

I myself have been hit coming down old bush river, saw the accident that is pictured happens all the time through here.

We live in Westcott Ridge neighborhood and often find it difficult to exit safely. Reducing the speed limit and adding caution lights will greatly reduce this risk.
