I'm thinking when we split we didn't think through these issues. I did LLR's plan when I was Deputy of Admin so I was looking for those items.

Yes. I will pass this along to Ashlie Lancaster and she will contact the IRF and get us an answer.

Thanks,

Subject: Insurance/Governor's Office

Marcia,

I am reviewing our insurance policy. Last year we split from the DOA and received a separate policy just for the Governor's Office. We don't have a list of assets that I am aware of, and I am curious how we are insuring the artifacts in the hall and in her office. We don't have that clause at this time. I am thinking they could have been part of a DOA clause or on the mansion insurance if loaned over here. Is there someone in your office that might have insight? Before I re-event the wheel I want to see if something exists from the past.
