The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

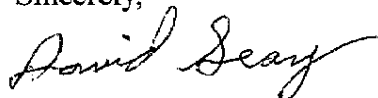

Dear Governor Nikki Haley,

I would like to schedule a meeting with you to discuss the circumstances surrounding the death of my cousin, Terry Paul Pritchard, who worked at the Spartanburg County Detention Center. Alan Pritchard, Terry's brother, has written your office requesting a meeting last year. I (David Seay) wrote a letter to you on December 28th 2015 concerning foul play issues with investigation of Terry's death. I sent a crime scene photo of evidence that was not turned into evidence and document copies that confirm item in photo was not turned into evidence room at all. I obtained those documents under FOIA and Terry's family and I do not understand why your office failed to respond to letters to you concerning this issue. At an earlier meeting that Deloris and I had with Sheriff Chuck Wright, he told us that his Attorney has advised him not to answer any question concerning the death of Terry Paul Pritchard. The family and I do not understand why he is not willing to answer questions. Another odd thing, he stated that to me and Deloris immediately after I asked him who has custody of the evidence. That in itself lead us to believe there is something very wrong here, and the discoveries we have made with crime scene photos and FOIA documents confirm that. There are numerous other issues with evidence that indicate Terry was killed by someone.

The following people plan to attend this meeting with me if your Office would be so kind to set this up. Myself, David Seay, mother of victim, Deloris Pritchard, brother of victim, Alan Pritchard, and a reporter from Spartanburg Herald Journal, Daniel J. Gross.

Please respond to this request and advise when and where this meeting can take place.

Sincerely,

David Seay
