The Honorable Mark Sanford  
Office of the Governor  
P.O. Box 11829  
Columbia, SC 29211

Dear Governor Sanford:

The Department of Motor Vehicles will not be requesting any new operating or capital funding in its FY 2011 – 2012 budget submission. The overall authorization increase request detailed in our submission is solely due to an increase in Federal grant funds. Additionally, the DMV does not have any new proviso requests or modification/deletions of existing provisos for FY 2011 – 2012.

As you are aware, DMV is now totally funded by revenues generated and retained by the agency. While these revenues are sufficient to fund current operations, new legislative mandates could prove to have a severe impact on this existing revenue base. Therefore, as we enter into the 2011 legislative session, DMV will need to request funding support for implementation of any legislation having a fiscal impact that is not proposed and budgeted for by the agency.

If you should have any questions or need additional information, please do not hesitate to call me. Thank you for your consideration of this request and your continued support of the Department of Motor Vehicles.

Sincerely,

A handwritten signature in cursive script that reads "Marcia S. Adams".

Marcia S. Adams
