Darryl,

I wanted to write and extend an invitation for both you and the Lieutenant Governor to attend the Grand Opening of "The Palmettos of Garden City".

The Palmettos is a 90 bed Assisted Living and Memory Care Facility. This will bring NHC's service network in South Carolina to 13 Skilled Rehab Centers and 5 Assisted Living Facilities that will serve approximately 2400 residents . This does not include our 13 Home Care Agencies and 8 Hospice Agencies.

In total NHC employs just over 3400 South Carolinians serving the seniors of this great state.

Look forward to seeing you on Thursday July 27, 2017. The festivities will begin at 4:00 p.m..

The Palmettos is located at:

9415 Hwy. 17 bypass  
Murrells Inlet, S.C. 29576

Sincerely,

J.B.(Sonny) Kinney, Jr.  
Senior Vice President  
NHC South Carolina Region
